The middle-grade answer to Christina Baker Kline's New York Times bestselling Orphan Train, this is a shockingly timely historical adventure. Imagine being taken from your home. Imagine your mother is the one who lets it happen. This is the fate that befalls the Kelly children. It's 1856, and their widowed mother has sent them west from New York City because she's convinced that she can't give them the life they deserve. The Kellys board an "orphan train" and are taken to St. Joseph, Missouri, where their problems only grow worse. It was bad enough that they had to say goodbye to their mother, but now they're forced to part ways with their fellow siblings as well. Thirteen-year-old Frances won't stand for it. She's going to protect her brothers and sisters, even if it means dressing up like a boy and putting herself in danger. Will Frances be able to save her siblings? And what about her mom—was splitting up their family really her greatest act of love? Ride the rails with Frances and her siblings to find out! "This is as close to a perfect book as you'll buy this year." -VOYA In The Highland Falcon Thief: Adventures on Trains #1, a middle-grade series starter from MG Leonard and Sam Sedgman, a young boy is swept up in an investigation to uncover the perpetrator of a jewel theft. When eleven-year-old Harrison "Hal" Beck is forced to accompany his travel-writer uncle on the last journey of a royal train, he expects a boring trip spent away from video games and children his age. But then Hal spots

a girl who should not be on board, and he quickly makes friends with the stowaway, Lenny. Things get even more interesting when the royal prince and princess board for the last leg of the journey—because the princess's diamond necklace is soon stolen and replaced with a fake! Suspicion falls on the one person who isn't supposed to be there: Lenny. It's up to Hal, his keen observation, and his skill as a budding sketch artist to uncover the real jewel thief, clear his friend's name, and return the diamond necklace before The Highland Falcon makes its last stop. Late on Christmas Eve a boy boards a mysterious train that waits for him: the Polar Express bound for the North Pole. When he arrives there, Santa offers him any gift he desires. The boy modestly asks for one bell from the reindeer's harness. It turns out to be a very special gift, for only believers in Santa can hear it ring. Whether you're on the Orient Express or the Inverness to Wick and Thurso route traversing some of the wildest country in Britain, train travel affords a vision of the world like no other. From the modest line through North Yorkshire's Esk Valley to the Trans-Siberian; from a narrow-gauge web of lines in the Harz Mountains to the coast-to-coast journey through the mountains of Corsica, acclaimed travel writer Anthony Lambert presents an unmissable selection for any traveller who loves the journey as much as the destination. Here is a carefully chosen, wide-ranging selection of train journeys with character, sublime scenery and a real sense of history. Shortly after the birth of the United States, many people headed west to settle the new territory of the frontier. They journeyed by wagon for months on end and faced bad weather, sickness, and fears of hostile Native Americans. Historians know a lot about these wagon train journeys because of the many diaries kept by travelers! Readers meet a young wagon train traveler and, through this first-person account, learn about life on the Oregon Trail. Informational fact boxes add historical context to this narrative while images from the time period enhance the main content. FOR LOVERS OF HISTORICAL ADVENTURE, A FAMILY APART IS THE MIDDLE-GRADE ANSWER TO CHRISTINA BAKER KLINE'S NEW YORK TIMES BESTSELLING ORPHAN TRAIN. Imagine being taken from your home. "This is as close to a perfect book as you'll buy this year." -VOYA From the National Book Award-winning author of Just Kids: a "sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is" (Vanity Fair), told through the cafés and haunts she has

worked in around the world. Patti Smith calls this bestselling work "a roadmap to my life." M Train begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo's Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York's Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer's craft and on artistic creation. Here, too, are singular memories of Smith's life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, M Train is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith In The Highland Falcon Thief: Adventures on Trains #1, a middle-grade series starter from MG Leonard and Sam Sedgman, a young boy is swept up in an investigation to uncover the perpetrator of a jewel theft. Three daring women with a thirst for adventure. The railroads of Mars better raise that speed limit. ————— "OMG! It's BUFFY meets FIREFLY on Mars with trains!" - Barry J. Hutchison, bestselling author of SPACE TEAM ————— A NEW HOPE. A NEW WORLD. EXCITEMENT. OPPORTUNITY. ADVENTURE. For the colonists on a terraformed Mars in 2454, that was the promise. For you though—Jess Flint, engineering prodigy and big-time dreamer—it is a promise unfulfilled. Excitement? Adventure? Somebody might be having 'em, but not in the one-horse-town you call home. And then it happens. In the depths of an abandoned alien junkyard, you stumble across the preserved hulk of legendary steam locomotive the Cannonball Express. Your jaw hits the Martian floor. This is it! Your ticket out! You rebuild the ancient loco, augmenting it with a hodgepodge of powerful alien super-tech.

Almost before you know it, you've found yourself a crew: There's Sally, the town's glamorpuss, handy-with-her-fists saloon singer. There's Vera, über-brainiac accountant-turned-adrenalin junkie. Oh, and there's Dave. He's from Staines. You drop an ad in the local paper—CANNONBALL EXPRESS (MARS) Ltd. Any Cargo Anywhere Anytime—and WHAM! You just climbed aboard a bullet train to adventure. CANNONBALL EXPRESS Let's Roll ————— Book 1 in Kit Kane's CANNONBALL EXPRESS series, Railroads of Mars is interplanetary adventure at full-throttle—a standalone sci-fi western, brimming with action, monsters, comedy, and heart. ————— Resplendent in a trio of fresh-from-the-hardware-store overalls, Jess, Sally, and Vera stood in the mind-boggling immensity of the alien junkyard, staring up at what Jess had found there—at that steam-driven titan of rail locomotion. "Seven days," Jess said. "That's what we got. Granted, it ain't a lotta time, but the way I see it, we all pull together, we can do this. Not saying it'll be easy. Ya don't like axle grease, walk away now. Coal dust? Engine oil? See above. Is it a gamble? Sure. But this kinda gamble? It's the good kinda gamble, am I right?" The exhilaration in Sally and Vera's eyes was answer enough. "That's what I like to hear," Jess said, draping her arms around the denim-clad shoulders of her two best friends. "So step up then, ladies. Cos we just got ourselves into the Martian railroad business." ————— "AN EXPRESS RIDE OF THRILLS! You won't want to get off." - Alexander Gordon Smith, bestselling author of ESCAPE FROM FURNACE "BRILLIANT! A 200-ton rollercoaster ride." - Jon Mayhew, award-winning author of MORTLOCK READERS SAY: ☐☐☐☐ Thrilling! ☐☐☐☐ Totally unique! ☐☐☐☐ I read it in one breathtaking blast. ☐☐☐☐ Shocks, cliffhangers, laugh out loud moments. L T C Rolt was one of a small group of amateur railwaymen who made their dream of running their own railway come true. Established by Act of Parliament in 1865 and unaffected by mergers and nationalisation, the Talylyn Railway has been serving a remote valley in the Merioneth mountains ever since. This book presents this railway adventure. As the saga of the Kelly children continues, Mike Kelly is adopted by a German immigrant farm family living in Missouri.
