To understand the value of such an approach, consider the English verb "to hold," the meaning of which changes dramatically when used in such expressions as "hold on," "hold up," "hold off," and "hold down"; in Spanish, as students of the language have perennially learned to their frustration, the changes are far broader and apply to many more verbs. Now you won't have to guess how a verb is used in a sentence: 750 Spanish Verbs and Their Uses gives you all the correct variations and grammatical interrelationships. Correct usages are illustrated in common phrases and idiomatic expressions. Unusual or troublesome expressions are emphasized throughout. And special attention is given to reflexive verbs (often difficult for English speakers) to make their usage clear. Perfect for students and travelers, ideal as a text, a grammar book and a reference, 750 Spanish Verbs and Their Uses will help you not only to conjugate verbs, but also to use them correctly and comprehensibly. Also available in the Series: 750 German Verbs and Their Uses and 750 French Verbs and Their Uses. Print Student Edition A beginning Spanish reader that uses elementary vocabulary and keeps verb tenses to a minimum. Section 1 readings tell the story of two high school students in the United States. Section 2

readings provide a brief overview of the history of Mexico. Section 3 contains an adaptation of Lazarillo de Tormes, a well-known work of Spanish literature. With two great stories in each book, learning Spanish is fun with the Spanish magician! In the first story, the Spanish magician asks everyone to clap and say three times various Spanish words as he does some tricks like making a coin vanish or animals appear. In the second story, it's Sophie's birthday party and the Spanish magician makes teddies of various colours appear, as everyone claps and says three times some colours in Spanish. The Spanish vocabulary in this book includes: Essential words: Hola / Adiós / Gracias / ¿Cómo estás? / Muy bien Introductions: Me llamo Numbers: uno dos tres Animals: un pájaro / un conejo / un perro Colours: rosa / verde / azul / lila / naranja / rojo / amarillo Food: caramelos The author of this book is a qualified teacher, with 20 years experience in teaching languages to children. This story is ideal for children aged 3 - 7 but it may also interest children of other ages. At the back of the book there are two pages that may be photocopied for class or home use: Useful Spanish words and phrases - To help learn some Spanish words you could create a poster by copying some of the words and pictures. A short song that could be sung or made into a rap - how many different versions can you create using the lyrics? Also available by the same author are the following books: Sophie And The Spanish Magician Jack And The Spanish Languasaurus (books 1, 2 & 3) Daniel And
