The early years include principally resolutions, with few reports. Community Bank Human Resources Management is designed specifically to give you everything you need to get the HR job done. The manual covers the risks associated with the HR management job, then leads you step-by-step through the things you can do to help the bank maximize its return from human resources, while treating employees with dignity and respect. And last but not least, through updates to the manual we will keep you informed about regulatory compliance issues. We don't just describe what needs to be done — we give you the tools to make it happen:

- Guidance for organizing the human resources function
- Tips for making your existing Human Resources organization more productive
- Model human resources policy manual
- Model salary administration system
- Model job descriptions and guidance on how to develop your own
- Procedures for handling problem employees
- Sample applicant interview preparation worksheets
- Sample performance reviews and rating forms
- Sample exit interview procedures and forms
- Procedures for employee termination
- Layoff management procedures
- Documents for performance management, delegation, empowerment, and goal setting you can copy and share with other managers and staff
