Love is most glorious. Love also rips you apart. Jonas When I woke this morning, I didn't expect this. For Autumn's past to step in and rip away everything I love. Autumn asks for patience, but with each passing day, she slips farther from my grasp. I refuse to lose Autumn or Clementine. Not to him. Not to anyone. They are my girls. Always. As the picture perfect life I envision with them slowly fades, the pain beneath my sternum grows more powerful. Each passing day, my chest tightens at the loss of them. I never imagined I would discover the love of my life, only to lose her. Autumn When I woke this morning, I never saw this coming. My ex storming back into my life and threatening to steal everything I hold precious. Not just my

daughter, but also my livelihood. And I refuse to let him do either. Until this ends, I must let go of my newfound selfishness and focus solely on Clementine. Until this ends, I must forget about love. Temporarily. When I memorized Jonas's heartbeat, I had no idea I would need to recall it in my lonely bed so soon. I had no idea my heart would ache so profusely in his absence. I have never known pain like this. And I have never been so torn. ...hopefully, our love will survive the storm. keeper. Each entry in this New Grove series of composers and their operas is based on articles in The New Grove Dictionary of Opera, that feature information on the lives of individual composers, their works, their librettists and interpreters, and the places where they performed. These unique books compile the meticulously researched articles into organized narratives, designed to make finding information as easy as possible without sacrificing readability. Each volume is completely up-to-date, and includes a suggested listening guide and an eight-page glossy insert containing relevant illustrations. Each volume is a must-own for lovers of opera and classical music. Giuseppe Verdi is the most famous Italian composer of opera. While he was sometimes criticized for writing music considered too "simple," his works have endured, and are still performed throughout the world today. This concise volume is a handy guide to the Verdi's life and operas, revising the original New Grove

articles and adding a new introduction, a new section on modern Verdi productions, and an updated bibliography. "Delightful and anti-reverential"—Sunday Times (London) With an encyclopedic knowledge of opera and a delightful dash of irreverence, Sir Denis Forman throws open the world of opera—its structure, composers, conductors, and artists—in this hugely informative guide. A Night at the Opera dissects the eighty-three most popular operas recorded on compact disc, from Cilea's *Adriana Lecouvreur* to Mozart's *Die Zauberflöte*. For each opera, Sir Denis details the plot and cast of characters, awarding stars to parts that are "worth looking out for," "really good," or, occasionally, "stunning." He goes on to tell the history of each opera and its early reception. Finally, each work is graded from alpha to gamma (although the Ring cycle gets an "X"), and Sir Denis has no qualms about voicing his opinion: the first act of *Fidelio* is "a bit of a mess," while the last scene of *Don Giovanni*

“towers above the comic finales of Figaro and Così and whether or not [it] is Mozart's greatest opera, it is certainly his most powerful finale.” The guide also presents brief biographies of the great composers, conductors, and singers. A glossary of musical terms is included, as well as Operatica, or the essential elements of opera, from the proper place and style of the audience's applause (and boos) to the use of subtitles. A Night at the Opera is for connoisseurs and neophytes alike. It will entertain and inform, delight and (perhaps) infuriate, providing a subject for lively debate and ready reference for years to come.
