REGISTER OF COMMISSIONED AND WARRANT OFFICERS OF THE UNITED STATES NAVY AND RESERVE OFFICERS ON THE ACTIVE

DUTY The Financial Review of Reviews

1921-1942 contain abstracts of periodical reports. Volume 2 of 4. The January and July issues of the Indian Army List contain not only the distribution of officers on the active list of the Army in India, including officers of British army regiments,

battalions etc stationed in India, but are supplemented by the addition of Orders of Knighthood, Honours and Awards, including Foreign Orders, by the non-effective officer list and the War Services of officers of the Indian Army. Details of each officer include dates of birth (except for wartime commissioned officers), date of first commission, of appointment to the Indian Army and dates of promotion. Officers are grouped according to their rank and by seniority within that rank, and are again shown under their regiments/battalions. In the case of British units, their

date of arrival in India is shown, and with Indian units their date of formation and changes in title since, plus details of the backgrounds of men recruited, e.g. Sikhs, Punjabis, Dogras, Rajputs, etc. This army list also includes all native Viceroy Commissioned Officers - Subadar Majors, Subadars and Jemadars - and their war services, Major HQs and their staffs, divisional and brigade commanders and their staffs, schools, colleges, Administrative Departments of the Army are all shown. Non-regular Indian Defence Force units such as 22nd Bengal and North-Western railway

Battalion, and the Indian Army Reserve of Officers are all there, along with British Warrant Officers serving in departments of the Indian Army. In 1914 there were 116 Indian and 10 Gurkha Regiments, all with one battalion apart from the cavalry, 32 Indian and one Gurkha regiment had been formed and the majority of the original regiments had raised second and sometimes third battalions. This splendid four-volume work reflects the tremendous contribution made by the Indian Army to the Empire's war effort. A full index is included. Special edition of the

Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries. This 2015 Article IV Consultation highlights that Israel's economy has been doing well and near-term growth prospects are favorable. Following growth of 2.6 percent in 2014, the economy is expected to expand by about 2.5 percent in 2015 and 3-3.3 percent each year in the medium term. Employment creation has been remarkable—growing by 3.5 percent annually—and unemployment is at multi-decade lows. Inflation has been negative, but this trend reflects

temporary external factors, not domestic weakness. Debt has declined to 67 percent of GDP from a peak of 94 percent of GDP in 2003 but is expected to increase for the first time since 2009, following the

upward revisions to the deficit targets. "Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893", issued as vol. 26, no. 7, supplement. A guidebook to the goddess religion

outlines fifty ideas for getting in touch with one's inner divinity, sharing exercises to encourage readers to identify true goals, build confidence, and create healthy plans for personal achievement.
