We are not born knowing what to eat; as omnivores it is something we each have to figure out for ourselves. From childhood onward, we

learn how big a "portion" is and how sweet is too sweet. We learn to enjoy green vegetables -- or not. But how does this education happen? What are the origins of taste? In *First Bite*, award-winning food writer Bee Wilson draws on the latest research from food psychologists, neuroscientists, and nutritionists to reveal that our food habits are shaped by a whole host of factors: family and culture, memory and gender, hunger and love. Taking the reader on a journey across the globe, Wilson introduces us to people who can only eat foods of a certain color; prisoners of war whose deepest yearning is for Mom's apple pie; a nine year old anosmia sufferer who has no memory of the flavor of her mother's cooking; toddlers who will eat nothing but hotdogs and grilled cheese sandwiches; and researchers and doctors who have pioneered new and effective ways to persuade children to try new vegetables. Wilson examines why the Japanese eat so healthily, whereas the vast majority of teenage boys in Kuwait have a weight problem -- and what these facts can tell Americans about how to eat better. The way we learn to eat holds the key to why food has gone so disastrously wrong for so many people. But Wilson also shows that both adults and children have immense potential for learning new, healthy eating habits. An exploration of the extraordinary and surprising origins of our

tastes and eating habits, **First Bite** also shows us how we can change our palates to lead healthier, happier lives. This delicious new book reveals the fascinating science behind some of our favorite candies. If you've ever wondered how candy corn is made or whether Baby Ruth bars really float, as in the movie *Caddyshack*, then this engaging collection of food for thought is guaranteed to satisfy your hunger for knowledge. As well as delving into candy facts and myths such as the so-called 'sugar high' and the long history of making sweetmeats, the authors explore the chemistry of a candy store full of famous treats, from Tootsie Rolls to Pixy Styx and from Jawbreakers to Jordan Almonds. They reveal what makes bubble gum bubbly and why a Charleston Chew is so chewy. Written in an engaging, accessible and humorous style that makes you laugh as you learn, **Candy Bites** doesn't shy away from the hard facts or the hard questions, about candy. It tackles the chemistry of hydrocolloids in gummy bears alongside the relationship between candy and obesity and between candy and dental cavities. The chapters open a window on the commercial and industrial chemistry of candy manufacture, making this book a regular Pez dispenser of little-known, yet captivating factoids. **#1 New York Times bestselling author Ilona Andrews invites you to experience the first novel in the "intriguing**

world” (Locus) of Kate Daniels with this special edition of Magic Bites... Kate Daniels is a down-on-her-luck mercenary who makes her living cleaning up magical problems. But when Kate’s guardian is murdered, her quest for justice draws her into a power struggle between two strong factions within Atlanta’s magic circles. Pressured by both sides to find the killer, Kate realizes she’s way out of her league—but she wouldn’t want it any other way... This special edition includes in-depth information about the world of Kate Daniels, with descriptions of its characters and factions. Explore Kate’s Atlanta like never before with answers to FAQ and a quiz to find your place there. And don’t miss the prequel story “A Questionable Client,” as well as scenes of events in Magic Bites from Curran’s point of view. An erotically charged, addictive thriller from the future queen of suspense.

Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the

new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body. Freshman year stinks for Vlad Tod. Bullies still harass him. The photographer from the school newspaper is tailing him. And failing his studies could be deadly. A trip to Siberia gives Âstudy abroadÂ a whole new meaning as Vlad connects with other vampires and advances his mind-control abilities, but will he return home with the skills to recognize a vampire slayer when he sees one? In this thrilling sequel to Eighth Grade Bites, Vlad must confront the secrets of the past and battle forces that once again threaten his life. After a public meltdown over her breakup from her cheating musician boyfriend, Cherisse swore off guys in the music industry, and dating in

general for a while, preferring to focus on growing her pastry chef business. When Cherisse's younger sister reveals she's getting married in a few months, Cherisse hopes that will distract her mother enough to quit harassing her about finding a guy, settling down and having kids. But her mother's matchmaking keeps intensifying. Cherisse tries to humour her mother, hoping if she feigns interest in the eligible bachelors she keeps tossing her way, she'll be off the hook, but things don't quite go as planned. Turns out for the first time in ages, she and Keiran King, the most annoying man ever, are on the island at the same time. Avoiding him is impossible, especially when Keiran's close friend is the one marrying her sister, and he's the best man to her maid of honour. Keiran doesn't know what to make of Cherisse now. They've always butted heads. To him she's always been a stuck-up brat who seeks attention, even while he secretly harbored a crush on her. Now with Cherisse's sister marrying one of his good friends he can't escape her as the wedding activities keep throwing them together. When things turn heated after a rainy night of bedroom fun, they both have to figure out if they can survive the countdown to wedding day, without this turning into a recipe for disaster. Sometimes the sharpest bite brings the sweetest pleasure... Alexa Dangelis has

returned home after eight long years to attend her father's funeral and take the throne as vampire queen of the East Coast. The public believes their king committed suicide, but Alexa knows better—he was murdered, and she's determined to prove her half-brother did it. Werewolf Penny Seiler was once Alexa's secret lover, until Alexa betrayed her to marry the vampire king of the West Coast. When they meet again, sparks fly. While Alexa focuses her attention on regaining Penny's trust and love, her half-brother plots to wrest the throne from Alexa's control. To stop him from destroying the capital city and her future with Penny, Alexa must broker a peace treaty with the werewolves and convince the vampire community werewolves are more than mere animals.

Bite In is a three book graded course for teaching students to understand and enjoy poetry at Secondary school level. This third edition offers a carefully graded selection of poems to cater for all abilities.

Image Bite Politics is the first book to systematically assess the visual presentation of presidential candidates in network news coverage of elections and to connect these visual images with shifts in public opinion. Presenting the results of a comprehensive visual analysis of general election news from 1992-2004, encompassing four presidential campaigns, the authors highlight the remarkably potent

influence of television images when it comes to evaluating leaders. The book draws from a variety of disciplines, including political science, behavioral biology, cognitive neuroscience, and media studies, to investigate the visual framing of elections in an incisive, fresh, and interdisciplinary fashion. Moreover, the book presents findings that are counterintuitive and challenge widely held assumptions--yet are supported by systematic data. For example, Republicans receive consistently more favorable visual treatment than Democrats, countering the conventional wisdom of a "liberal media bias"; and image bites are more prevalent, and in some elections more potent, in shaping voter opinions of candidates than sound bites. Finally, the authors provide a foundation for promoting visual literacy among news audiences and bring the importance of visual analysis to the forefront of research. "Sands writes books that keep readers coming back for more." Katie MacAlister, author of *A Girl's Guide to Vampires* In the world of the sexy and seductive Argeneau family of vampires, true love is good from the first bite to the last. *Love Bites* is a classic from New York Times and USA Today bestselling author Lynsay Sands, the second volume in her much beloved Argeneau series—the story of an achingly hot three hundred year-old bachelor immortal and the beautiful coroner he chooses as his lifemate.

Paranormal romance just doesn't get any tastier than this! Sink your teeth the dark side with these two delicious paranormal romances by USA Today Bestseller Lauren Smith. The Bite of Winter: Zoey Blake is about as far down on her luck as she can get. A car crash took her parents, leaving her destitute and on the street. When she's attacked by another homeless person, her lifeblood drains away as her fading vision is filled with the face of a handsome stranger. Ian Kennedy, a century old Irish vampire, never could resist rescuing a stray. As a few drops of his blood heals Zoey's wounds, he realizes she's a sweet, tempting, flesh-and-blood woman. But there's one problem. Connor, who made Ian promise decades ago: no more mortal lovers. After another vampire murdered his soulmate, Connor O'Shea swore never to let a mortal woman pay the price for loving him. Until he feels Zoey's skin and tastes her lips. She makes him want to break that vow. Zoey finds herself caught in their web of seduction. But as Christmas draws near and her grief deepens, happiness seems far out of reach. And Ian and Connor join forces to prove their love is sacred, special...and forever. His Little Vixen: Sadie Harris doesn't like immortals. After vampires leave her an orphan, she's raised by her grandmother at the edge of a werewolf pack's territory. As a fox shifter, she knows the rules

about werewolves: Stay clear of the boundaries, never go out after dark during the full moon and take a vacation far, far away when she goes into her shifter mating heat or else she'll attract literal "big bad wolves." But when her flight gets cancelled and her mating heat is coming - so are the wolves. The last thing she expects is to get rescued by a tall, dark and gorgeous man...er...vampire. What's a vixen to do?

Seamus Gallagher might be immortal but his life is full of mortal problems: he's been framed for the murder of the woman his two best friends loved; he's on a mission to find and kill his sire; and, he has no idea what to do with the feisty red-headed vixen he just rescued from a vicious werewolf pack. He doesn't have time to babysit a skittish shifter who hates vampires, but when he looks at her, Seamus sees trouble. Sexy, sweet, and irresistible trouble. The last thing this vamp needs is to fall in love. A girl's gotta eat--and so do her three cats. Recently divorced art history grad student Hanna Harvey has just fibbed her way into a job as the assistant to dangerously drool-worthy art gallery owner Mark Abernathy. For Hanna, working in the field she desperately loves provides the perfect opportunity to begin putting her life back together. Soon her cheese budget is in the black and her feline life partners are no longer eyeing her like a six-foot can of Fancy Feast. But when her boss's lady friends

start turning up dead, Hanna finds herself in the cross hairs of a murder investigation. Even worse, hunky homicide detective James Morrison fears hers might be the next body he discovers. With the "help" of the gallery's quirky cast of resident artists, Hanna will have to hunt down the truth about Abernathy's dark secret--before it hunts her. Tom the Vam-Wolf-Zom is back--and so is the werewolf that bit him--in this monstrously funny series about a boy who's dying to fit in. Eleven-year-old Tom was bit by a vampire, a werewolf, and a zombie right before the first day of middle school. It was a weird and crazy day. And he didn't even get excused from sixth grade! Now he's being hunted down by the werewolf that bit him. Should Tom join a wolf pack? On the one hand, he could give up school and homework forever. (He really doesn't want to do his history report.) On the other hand, he'd miss his band, his friends, and Annie, his maybe-possibly-someday girlfriend. He might even miss his big sister, Emma. Then the vampire that bit him returns with a warning: the werewolf is dangerous. Perhaps Tom should stick with sixth grade--even if it's mostly talent show disappointments, detention, and chicken-turkey-salami-roast beef sandwiches. Created by an Emmy-nominated writer for *SpongeBob*, *The Adventures of Jimmy Neutron*, and *CatDog*, this hilarious series is illustrated with clever, cartoon-

style art on every spread. Perfect for fans of *Diary of a Wimpy Kid* and *The Last Kids on Earth*. In Rowen's death-defyingly funny debut--a cross between "*Buffy the Vampire Slayer*" and "*Sex in the City*"--Sarah Dearly goes on a blind date . . . with a vampire. Original. She is theirs to claim. They are hers to save. Zoey Blake is about as far down on her luck as she can get. A car crash took her parents, leaving her destitute and on the street. When she's attacked by another homeless person, her lifeblood drains away as her fading vision is filled with the face of a handsome stranger. Ian Kennedy, a century old Irish vampire, never could resist rescuing a stray. As a few drops of his blood heals Zoey's wounds, he realizes she's a sweet, tempting, flesh-and-blood woman. But there's one problem. Connor, who made Ian promise decades ago: no more mortal lovers. After another vampire murdered his soulmate, Connor O'Shea swore never to let a mortal woman pay the price for loving him. Until he feels Zoey's skin and tastes her lips. She makes him want to break that vow. Zoey finds herself caught in their web of seduction. But as Christmas draws near and her grief deepens, happiness seems far out of reach. And Ian and Connor join forces to prove their love is sacred, special...and forever. Warning: This book contains two scorching-hot Irish vampires, one lady with plenty of pluck but zero

luck, naughty lingerie, and enough Christmas cheer to redeem even the darkest creatures. Ditch diets forever because **The Bite Me Balance Cookbook**, chock full of easy, healthy recipes (and occasional treats), is sure to help you get (and stay) in your happy pants. When the number one question you are asked is, "How do you eat dessert and still do up your pants?" you know that you have to share your answers. Enter **Bite Me** sisters **Julie Albert** and **Lisa Gnat**, the saucy siblings who have said buh-bye to the fad diet world, forced the food police into early retirement, and figured out the secret to waist management: moderation. While this mindful approach to eating is neither sexy nor a magic bullet, it works--and for a lifetime at that. In **The Bite Me Balance Cookbook**, Julie and Lisa whip up **138** delicious, easy-to-follow recipes for breakfast and brunch, lunch, weeknight dinners, and special gatherings. No matter your challenge (you want healthy food that's scrumptious and satisfying, your friends are gluten-free, your mother-in-law's coming to dinner, your kids are famished and need to eat NOW) **The Bite Me Balance Cookbook** has you covered. Packed full of helpful tips and tricks, a wide array of foolproof recipes (75% healthy, 25% butter!) to suit every occasion, and belly laughs with these tell-it-like-it-is sisters, this book is guaranteed to set you up for success in the kitchen and at the

table. The Bite Me Balance Cookbook is what you've been waiting for: an approachable, fun, and funny roadmap to guide you towards a perfect healthy and happy balance. Shortlisted for the CILIP Carnegie Medal 2015 Hilariously touching and outrageously unforgettable: Mark Haddon's Christopher Boone meets Holden Caulfield on one *#@! of a journey. . . Dylan Mint has Tourette's. Being sixteen is hard enough, but Dylan's life is a constant battle to keep the bad stuff in - the swearing, the tics, the howling dog that seems to escape whenever he gets stressed... But a routine visit to the hospital changes everything. Overhearing a hushed conversation between the doctor and his mother, Dylan discovers that he's going to die next March. So he grants himself three parting wishes or 'Cool Things To Do Before I Cack It'. But as Dylan sets out to make his wishes come true, he discovers that nothing - and no-one - is quite as he had previously supposed. Here is all the information you will ever need--no matter where you are in the world--to identify, avoid, and protect yourself against all manner of blood sucking or venomous arthropods, ranging from scorpions, spiders, ants, and bees to mites, ticks, lice, bed bugs, sand flies, biting midges, mosquitoes, and horse flies. Line drawings and representative color photographs help identify bugs accurately, and information on each bug's

particular habits and habitats allows readers to minimize potentially annoying, painful, and even lethal encounters. This book is packed with helpful tips on using barriers--window-screens, bed nets, smoky coils, and proper clothing, and on choosing the right repellent for the right bug in the right place. Readers also will learn how to apply pesticides safely and effectively. Based on the best available science, this well-illustrated, crystal clear guide will be a welcome guest in any home or back yard, and an essential companion for travelers around the world. “At long last, a book that tells all about the connection between diet and health and the look of your skin. Everyone interested in beautiful skin should read this book!” —Jonny Bowden, Ph.D., C.N.S., best-selling author of *The 150 Healthiest Foods on Earth* Beets. Pumpkin Seeds. Mangoes. What do these foods have in common? They are some of the very best foods for fighting aging and keeping your skin beautiful. How? The nutrients in these foods—from vitamins A, B, and C to the minerals iron and zinc—act as powerful antioxidants, neutralizing the free radicals that form in your skin due to sun exposure, environmental toxins, and a poor diet. The entire body needs these antioxidants in order to work properly and give us the glowing, healthy appearance we crave. Inside, you’ll learn more about how the three superstar foods above—and

ninety-seven others—can do more for your skin and overall beauty than any expensive night cream, facelift, or Botox injection. Nutritional scientist Allison Tannis will walk you through the many layers of your skin and reveal what actions you can take to prevent wrinkles, eliminate existing ones, and improve your complexion. No waiting lists, risky surgeries, or astronomical costs—just delicious, healthy food. You'll discover: In addition, you'll also find fifty delicious recipes specially formulated to improve your complexion. Each recipe contains at least one of the 100 featured foods, making it easier than ever to get your skin-healthy lifestyle started. Become your most beautiful the natural way—with *Feed Your Skin, Starve Your Wrinkles*. Animal Planet star and Emmy Award-winning host of YouTube's *Brave Wilderness* Coyote Peterson is back, and this time he's being BITTEN by some of Earth's wildest beasts in this full-color adventure, perfect for fans of *The King of Sting* and all animal enthusiasts. In *The Beast of Bites*, Coyote chronicles his most memorable--and painful--bites from his wildest animal encounters seen on the *Brave Wilderness* YouTube channel. Coyote faces everything from snapping turtle chomps to the horrific, venomous grasp of a giant desert centipede. Featuring photographic stills from episodes, original full-color illustrations, and packed with

facts about nature's most misunderstood creatures, this is a dream book for any kid that loves animals, the great outdoors, and daringly dangerous adventures! Follow Gin Blanco, a kick-butt female assassin who moonlights at a BBQ joint in Tennessee, as she searches for the person who double-crossed her in this heart-pounding and fresh paranormal romance series. After Gin's family was murdered by a Fire elemental when she was thirteen, she lived on the streets and eventually became an assassin to survive. Now, Gin is assigned to rub out an Ashland businessman, but it turns out to be a trap. After Gin's handler is brutally murdered, she teams up with the sexy detective investigating the case to figure out who double-crossed her and why. Only one thing is for sure—Gin has no qualms about killing her way to the top of the conspiracy. DD Barant launches *The Bloodhound Files with Dying Bites*—a "fresh and original take on urban fantasy" (Romantic Times) with a heroine who's "remarkable, strong-willed and smart" (Publishers Weekly). Her job description is the "tracking and apprehension of mentally-fractured killers." What this really means in FBI profiler Jace Valchek's brave new world—one in which only one percent of the population is human—is that a woman's work is never done. And reality is getting stranger every day... Jace has been ripped from her reality by

David Cassius, the vampire head of the NSA. He knows that she's the best there in the business, and David needs her help in solving a series of gruesome murders of vampires and werewolves. David's world—one that also includes lycanthropes and golems—is one with little knowledge of mental illness. An insane serial killer is a threat the NSA has no experience with. But Jace does. Stranded in a reality where Bela Lugosi is a bigger box office draw than Bruce Willis and every full moon is Mardi Gras, Jace must now hunt down a fellow human before he brings the entire planet to the brink of madness. Or she may never see her own world again... Hungry predators count up to ten and take bites out of each page. 100 irresistible one-bite recipes-for everything from parties to portable meals You know those days where dinner is grab-and-go, but you're not sure what to grab? The older kids have a soccer game, a ballet lesson, the little one has a kazoo party, and they all need to be fed? Or maybe you've been volunteered to bring the mini quiches to the office potluck. Well you're in luck: with Nicole Hunn at the helm, you can choose from 100 recipes for small bites-from party-pleasers like jalapeno poppers and pigs-in-blankets to easy meals like hand pies and chalupas. Have one of those special occasions when you can sit down for a meal? Nearly every recipe has instructions

for how to make a bigger bite. The voice behind glutenfreeonashoestring.com, Nicole's been making gluten-free goodies that are delicious as they are safe for nearly ten years. Indulge in her new recipes for Crab Rangoon, Cheddar Hush Puppies, Fried Pickle Chips, Mozzarella Sticks, Pizza Pinwheels, Miniature Mac and Cheese Cups, Spanakopita Bites, a range of wraps (Cheesesteak, Greek Salad, and Huevos Rancheros, to name a few), Miniature Spinach Quiches, Chicken Empanadas, Vegetarian Chalupas, Pupusas, Shrimp Pot Stickers, Bear Claws, Apple Hand Pies, Miniature Vanilla Bean Scones . . . and more! Collects seven stories based on horror themes, including tales about werewolves, vampires, ghost dogs, and other creatures of the night. Are you a Buffy fan? Are you just a little fanatical? If so, then this is the book for you. Have you ever watched an episode and caught a mistake by the cast or crew? This book includes a huge list of such mistakes. Included is Buffy trivia galore. Also included is information about where to find those easter eggs for special DVD extras. A full detailed episode list, up to date cast biographies, and a huge detailed list of characters. As a special bonus, inside you will find memorable quotes from the show listed by character, as well as a dictionary of Buffy slang! And there is more...How about a time line showing the events

from the first slayer all the way to Buffy! Can't remember the name of a certain villain we have you covered with a full listing of those Buffy villains. Last but not least by any means, is a full listing of the writers, directors, and crew...what would the show have been without them?

Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of bloodan especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Seventeen-year-old New Mexico high school senior Vanessa Shingle learns that she destined to be a monster-hunter like her Van Helsing ancestor, and that the gorgeous janitor she is dating, Jean-Paul, is there to help although he, himself, is a vampire. Bite In is a three book graded course for teaching students to understand and enjoy poetry at Secondary school level. This third edition offers a carefully graded selection of poems to cater for all abilities. A cookbook for cancer patients with more than 85 recipes, featuring full nutritional analysis and anecdotes from cancer survivors. Chef Rebecca Katz shares delicious, nourishing recipes for cancer patients, who often

experience culinary ups and downs because of sudden dietary restrictions and poor appetite due to damaged taste buds from harsh treatments. Revised and updated with 10 new recipes, this second edition provides caretakers with a tangible way to nurture loved ones through easy-to-digest meals that offer maximum flavor while boosting the immune system. Reviews“Rebecca Katz is a culinary genius who is also profoundly devoted to providing great, healthy food for people with cancer. Her meals receive the highest praise.”—Michael Lerner, cofounder of the Commonwealth Cancer Help Program and author of *Choices in Healing*“A gem.”—Mary Beth Regan, *Baltimore Sun* “This book is an instant turn-on to good, nourishing food.”— Share Guide“Fare that puts delicious back into health food.” —Sweat magazine

The issue of dog bites and dog aggression directed at humans is frequently in the media. However, scientific research and evidence on the subject is scattered and sparse. Public and political opinions are often misinformed and out of proportion to the extent of the problem. Dog Bites brings together expert knowledge of the current situation, from a wide variety of disciplines, to provide information to the many people and professions affected by this issue. Subjects range from the practical, medical, behavioural, sociological, and

theoretical, but the overall approach of the book is objective and integrative. Topics addressed include: the genetic basis of aggression; the public image of aggressive dogs; bite statistics; risk factors; the forensics and surgical aspects of dog bites; international legal perspectives; court evidence; first aid treatment; zoonotic disease potential; behavioural rehabilitation options; the risk to children; and a consideration of why some dogs kill. All contributors are academic or long-standing professional experts in their field, and they represent a wide spread of international expertise. This issue is an important one for pet owners, vets, animal shelters, and anyone who works with dogs, such as the police. This book will be a valuable resource for them, as well as for animal behaviourists, academic researchers, health professionals, dog breeders, and handlers. * "... the first comprehensive resource on the subject of dog bites... The overall intent of the book is to prevent dog bites. ...does a good job of compiling the information we think we know about dog bites into one place. It also debunks much of what were previously accepted truths about dog bites to humans. In the final chapter, the editors state they hope that 'highlighting the many deficiencies in our understanding will inspire rather than demoralize' and that they 'have offered a point of reference not just to the**

problems but also the solutions'". --Journal of the American Veterinary Medical Association, Vol. 252, No. 6, March 15, 2018 [Subject: Veterinary Science, Public Policy, Animal Behavior, Animal Policing] When graduate student Merit is saved from a vampire attack by being turned into a vampire herself, she struggles to figure out her place amongst her new vampire friends while being targeted by an unknown entity. Food, Drink, and Behind-the-Scenes stories from everyone's favorite a cappella group, Straight No Chaser. With 15 years in the music business, eight albums, and more than 1.5 million concert tickets sold, Straight No Chaser treasures two things: family and food. Straight No Chaser Sound Bites features a collection of their favorite food and drink recipes combined with behind-the-scenes stories as they welcome their fans into the family. Formed in 1996 at Indiana University, Straight No Chaser's story has been replete with twists and turns. Sound Bites deliciously recounts members' memories of moments from an unlikely yet wonderful cascade of events that propelled forward their career of creating music, touring, and becoming part of countless family traditions. Steve, Jerome, Charlie, Randy, Walt, Mike, Jasper, Seggie, and Tyler each offer their own (sometimes contradicting) stories of their adventures, as well as sensational recipes for cocktails, such as the Honey Lavender

Greyhound, Grapefruit Jalapeño Cilantro Shrub, and SN-Tini, and foods, including "Choose Your Own Adventure" risotto, Great Grandma Erma's Apple Crisp, SNC M&C, Momma C's Fried Chicken—and many more. Straight No Chaser Sound Bites invites the group's many fans, old and new, to celebrate the harmony of music, food, and drink in their own homes. So settle in and enjoy. Five hungry dinosaurs appear to take bite-sized chunks out of the die-cut text, as readers can count the number of bites from one to five. A truly resourceful and supporting workbook which will help you reach your health goals in a short space of time. A Must Have!
