The LSAT Trainer includes: over 200 official LSAT questions and real-time solutions simple and battle-tested strategies for every type of Logical Reasoning question, Reading Comprehension question, and Logic Game over 30 original and unique drills designed to help develop LSAT-specific skills and habits access to a variety of free study schedules, notebook organizers, and much more. Developed by the National Academy of Sports Medicine (NASM), this book is designed to help people prepare for the NASM Certified Personal Trainer (CPT) Certification exam or learn the basic principles of personal training using NASM's Optimum Performance Training (OPT) model. The OPT model presents NASM's protocols for building stabilization, strength, and power. More than 600 full-color illustrations and photographs demonstrate concepts and techniques. Exercise color coding maps each exercise movement to a specific phase on the OPT model. Exercise boxes demonstrate core exercises and detail the necessary preparation and movement. Other features include research notes, memory joggers, safety tips, and review questions. When it comes to the ACE Personal Trainer Certification Exam, you want to be prepared, and you will

be with our book designed to making studying fun and easy! You don't want to waste time - and money! - taking your ACE Personal Trainer Certification exam twice...or more. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the ACE Personal Trainer Certification, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the ACE Personal Trainer Certification....and they get a variety of results. Trivium Test Prep's ACE Personal Trainer Certification Study Guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the ACE Personal Trainer Certification can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our ACE Personal Trainer Certification study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; ACE Personal Trainer Certification practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our ACE Personal Trainer Certification study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created the ACE Personal Trainer Certification study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our ACE Personal Trainer Certification study guide is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more, when really it's all just wasting your time. When it comes to the NSCA Personal Trainer Certification Exam, you want to be prepared, and you will be with our book designed to making studying fun and easy! You don't want to waste time - and money! - taking your NSCA CPT exam twice...or more. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the NSCA CPT, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the NSCA CPT...and they get a variety of results. Trivium Test Prep's NSCA CPT Study Guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the NSCA CPT can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our NSCA CPT study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; NSCA CPT practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our NSCA CPT study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created the NSCA CPT study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our NSCA CPT study guide is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more, when really it's all just wasting your time. Features more than 1,900 questions in all in both multiple choice and alternate formats (multi-select, drag-and-drop, and hot-spot) with answer keys that present rationales for the correct
