There are few authors who can weave nail-biting thrills, edge-of-your-seat drama, and romantic suspense as masterfully as Julie Garwood. Now she ratchets up the tension with *Murder List*, in which evil is on the hunt- and proves to be methodically organized and chillingly successful. When Chicago detective Alec Buchanan is offered a prime position with the FBI, it is the perfect opportunity to leave the Windy City and follow in his brothers' footsteps to the top echelons of law enforcement. But first he must complete one last assignment (and one that he is not too happy about): acting as a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business. Someone has e-mailed her a graphic crime-scene photo-and the victim is no stranger. Regan suspects that the trouble started when she agreed to help a journalist friend expose a shady self-help guru who preys on lonely, vulnerable women. In fact, the smooth-as-an-oil-slick Dr. Lawrence Shields may be responsible for the death of one of his devotees, which was ruled a suicide. Hoping to find some damning evidence, Regan attends a Shields seminar. At the gathering, the doctor persuades his guests to partake in an innocent little "cleansing" exercise. He asks them to make a list of the people who have hurt or deceived them over the years, posing the question: Would your world be a better place if these people ceased to exist? Treating the exercise as a game, Regan plays along. After ten minutes, Shields instructs the participants to bring their sheets of paper to the fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call-and barely escapes a menacing individual in the parking lot. The experience is all but forgotten-until the first person on Regan's list turns up dead. Shock turns to horror when other bodies from the list start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move-and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality. Passion and danger abound in this classic historical romance from #1 New York Times bestselling author Julie Garwood. Orphaned and besieged, Princess Alesandra knows that only a hasty marriage to an Englishman can protect her from the turmoil in her own land. The bold, raven-haired beauty instantly captivates London society, much to the amusement of her makeshift guardian, Colin, younger brother of the Marquess of Cainewood. But when Alesandra is nearly abducted by her unscrupulous countrymen, Colin knows he must protect her and offers a marriage that should be in name alone-until their first kiss ignites a wildfire in his soul. As the lovely princess dashes headlong into unforeseen dangers, Colin will risk his own life to save her and claim Alessandra as his own-forever... A woman's life and love are compromised in this pulse-pounding thriller from #1 New York Times bestselling author Julie Garwood. Dr. Ellie Sullivan has witnessed the shooting of an FBI agent in pursuit of a ruthless modern-day Bonnie and Clyde. The only person to see the shooter's face, Ellie is suddenly thrust into the center of a criminal investigation spearheaded by the no-nonsense, by-the-book, and tantalizingly handsome agent Max Daniels. When the couple is captured, she'll be called to testify. But the Landrys have been caught before, and each time the witnesses are scared into silence-or they disappear. Now Max vows to be Ellie's shadow, promising never to leave her side until the trial. But that could be dangerous for both of them, and it isn't long before the sparks-and the bullets-fly. From the #1 New York Times bestselling author of *Heartbreaker* comes a thrilling novel of passion and obsession featuring attorney Theo Buchanan. Like his FBI agent brother Nick, Theo Buchanan is devoted to his crime-fighting career. Unlike his brother, he works the other side of the desk as an esteemed Justice Department attorney and rarely sees on-the-field action-until he comes to the aid of Dr. Michelle Renard, a beautiful and brilliant

surgeon in Bowen, Louisiana, who recently saved his own life. Michelle's medical clinic has been vandalized, and the investigation uncovers a deadly ring of criminals bent on preserving their secrecy at any cost. They call themselves the Sowing Club: four white-collar professionals whose sophisticated crimes have amassed millions of dollars in a Cayman Islands bank account. The group is bound by a pact to leave the cash untouched until they accumulate a certain amount, but their leader, John, is distracted by and nearly bankrupt from his wife's grave illness. Knowing what must be done, John turns to his three friends to mercy-kill his wife, but the line between mercy and murder quickly vanishes.... As the relentless and cold-blooded Sowing Club sets out to silence Michelle, the one person who has information that could destroy them, Theo confronts the lies, greed, and evil that bind the lethal foursome—and risks more than he ever has before. Michelle saved his life...now can he save hers? The natural world in all its richness, glimpsed variously in the house, the barnyard, and the garden, in ponds and streams, and at large in the woods and the fields, including old friends like the dog, the cat, the cow, and the pig, along with more unusual and sometimes alarming characters such as the weasel, the dragonfly, snakes of several sorts, and even a whale, not to mention ants in their seeming infinitude and a single humble potato—all these and more are the subjects of what may well be the most deft and delightful book of literary miniatures ever written. In Jules Renard's world, plants and animals not only feel but speak (one species, the swallow, appears to write Hebrew), and yet, for all the anthropomorphic wit and whimsy the author indulges in, they guard their mystery too. Sly, funny, and touching, *Nature Stories*, here beautifully rendered into English by Douglas Parmée and accompanied by the wonderful ink-brush images of Pierre Bonnard with which the book was originally published, is a literary classic of inexhaustible freshness. In this fascinating book, Gary Renard and his Ascended Master Teachers, Arten and Pursah, teach you how to integrate advanced spiritual principles into your everyday life. Doing so leads beyond theory to an experience of the Divine and the undoing of the ego. Your progress will be accelerated to such a degree that, with continued practice, you can't help but stop the need to reincarnate . . . once and for all. Like Gary's first book, *The Disappearance of the Universe*, this work elaborates on the teachings of two spiritual classics, *The Gospel of Thomas* and *A Course in Miracles*. By focusing on a unique brand of quantum forgiveness, rather than the old-fashioned kind, and taking the understanding of the importance of thought up to a whole new level, your goal will become nothing less than to break the cycle of birth and death. An entertaining mix of biography, imagery, and humor written in a fresh, young, and riotous voice, this thoroughly researched exploration salutes these awesome women drawn from both historical and fantastical realms, including real life, literature, mythology, and folklore. Each profile features an eye-catching image of both heroic and villainous women in command from across history and around the world, from a princess-cum-pirate in fifth century Denmark, to a rebel preacher in 1630s Boston, to a bloodthirsty Hungarian countess, and a former prostitute who commanded a fleet of more than 70,000 men on China's seas. It's the story of a boy becoming a man, an apprentice becoming a master, and a broken land finally becoming whole. 'A very funny page-turner. Fantastique!' Adam Kay, Comedian and author of This is Going to Hurt 'A writer of immense wit and charm.' Paul Sinha, ITV's The Chase THE FIRST NOVEL IN THE ENTHRALLING FOLLET VALLEY SERIES, BY TV/RADIO REGULAR IAN MOORE Richard is a middle-aged Englishman who runs a B&B in the fictional Val de Follet in the Loire Valley. Nothing ever happens to Richard, and really that's the way he likes it. One day, however, one of his older guests disappears, leaving behind a bloody handprint on the wallpaper. Another guest, the enigmatic Valérie, persuades a reluctant Richard to join her in investigating the disappearance. Richard remains a dazed passenger in the case until things become really serious and someone murders Ava Gardner, one of his beloved hens ... and you don't mess with a fellow's hens! Unputdownable mystery set in rural France, by TV/radio regular and bestselling author Ian Moore - perfect for fans of Richard Osman's The Thursday Murder Club, Julia Chapman, or M.C. Beaton. Praise for Death and Croissants: 'Death and Croissants is a far funnier book than a story about a bloody murder has any right to be.' Josh Widdicombe, BBC's Mock the Week 'This is like two great books in one, a tricky whodunnit, and a really, really funny story.' Jason Manford 'Ian is one of my favourite writers; this is hilarious and a great mystery too.' Janey Godley 'Good food and a laugh-out-loud mystery. What more could anyone want in these dark times?' Mark Billingham 'Death and Croissants is such a relentless rollercoaster ride of laughs and twists, it should come with a height restriction and health warning.' Matt Forde 'Sharp, slick and surprising - like the author himself - Death and Croissants is the Loire Valley's answer to Murder on the Orient Express. I'd marry him tomorrow (Richard, the protagonist; Ian too).' Cally Beaton 'Though I disagree with the opinions on muesli and the hen

naming system that are in this book, I will let those pass and say that it is funny, pacy and very entertaining! It also has short chapters - I find many modern novels take far too long to get to the next chapter, but there's no hanging about here.' Robin Ince 'I'd never connected the words "death" and "croissants" before, but now they're inextricably linked. It's a rollicking qui-dunnit with as many twists as the Loire itself'. Stephen Clarke, author of 1000 Years of Annoying the French 'Moore's French whodunnit is an engaging caper through the Loire Valley with an expat reluctant hero mixed up with a Maigret-like rural cast, a glamorous heroine and a couple of Mafia killers. It is finely paced, truly funny and written with a wry detachment that conjures up a gentler age of murder mystery.' Charles Bremner 'Just like the Loire's other great export, Sancerre, Ian Moore's prose is reassuringly dry, beautifully constructed, and deeply satisfying. The Follet Valley series is a pleasure you'll return to again and again.' Marty Wilson, former Australian Comic of the Year Everyone is wanting Moore! - what people are saying about Ian Moore: 'Charming, witty, a brilliant read.' Sarah Millican 'There are a great many comedians who think that they can also write books, myself included, but very few who can rival Ian Moore's immediate warmth and skill with language.' Jon Richardson 'Ian Moore is a brilliantly funny writer and that's all there is to it.' Annabel Giles 'Everything its author is: immaculately turned out, sharp and consistently hilarious.' Mark Billingham 'What a strange and wonderful sight Ian Moore must present in the Loire Valley - an English Mod kicking around rural France with a young family, a few goats and big dreams of the good life. His brilliant book is warm, funny and big-hearted - easily the best Englishman-abroad memoir since Gerald Durrell was in short trousers and knocking around pre-war Corfu.' Tony Parsons 'So well written and funny you feel you're there flailing with him in the chicken coop. Warm, tender and incredibly funny. Treads that perfect balance between thigh-slappingly hilarious and heartbreakingly human: a unique and wonderful book.' Isy Suttie 'Ian Moore is a brilliant comedian whose wit is as sharp as his dress sense and he has managed to take that on stage story telling brilliance and put it in his writing. A great read - even if you're French!'
