New Headway iTools makes it easy to use interactive whiteboards and digital technology with Headway. Everything about these resources is user-friendly and supportive - and here's why. First, you don't need any special equipment. Just use what you already have in the school - an interactive whiteboard, a computer, a data projector, an ebeam. New Headway iTools works on all of these, and it doesn't matter which brand of whiteboard you have. Second, you get a full-colour Teacher's Guide in the pack. This shows you when and how to use the activities in the lesson, and includes whiteboard tips so you're never without support. The Guide also appears on the disc, for easy access during the lesson. New Headway iTools saves you time, too. How? Pre-selection ... the activities on the disc are pre-selected from the Student's Book. This means you don't need to go through the book deciding which activities are most suitable for the interactive whiteboard - they've already been researched and chosen for that very reason. Just go ahead and use them in class, with confidence. The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. With its proven methodology, Headway is the course you can always trust. The strong grammar focus, clear vocabulary syllabus and integrated skills work give you lessons that really work in class. The first ever 4th edition from the world's most trusted course - New Headway Pre Intermediate, completely rewritten and packed with new material. "Julie Miller, Molly O'Neill, and Nancy Hyde originally wrote their developmental math series because students were entering their College Algebra course underprepared. The students were not mathematically mature enough to understand the concepts of math, nor were they fully engaged with the material. The authors began their developmental mathematics offerings with intermediate algebra to help bridge that gap. This in turn developed into several series of textbooks from Prealgebra through Precalculus to help students at all levels before Calculus"-- Notes with hints, suggestions, and 'possible problems' feature Photocopiable activities for every unit Answers to Grammar Reference exercises from the Student's Book Teacher's Resource Disc Following the success of the best-selling Pasos beginner course, Pasos 2 reviews and builds on your existing knowledge to improve your Spanish.
