Esophagectomy Post-Surgical Guide: Questions and Answers Jul 19 2022 The Esophageal Cancer Education Foundation (ECEF) www.fightec.org was formed in 2003 by Bart and Virginia Frazzitta. The initial purpose in establishing this 501 C 3 non-profit Organization was to help solicit funds for a CD ROM Project they had committed to fund for Memorial Sloan-Kettering Cancer Center. The project had a cost of \$75,000. This was achieved and it served as the beginning of this Foundation geared to focus on a mission statement that covered three goals, namely: • To bring awareness and educate the public and medical community about this disease • To walk the journey with caregivers and with patients who have this disease • To support research projects that will lead to a test for early detection of this disease and also to hopefully cure this disease. ECEF has always kept its focus of not having a major expense factor and as such it does not now have any employees and its only major expense has been its web site development and CPA costs to certify our Financial Statements. We needed to do this to handle the members and patients who have joined ECEF and have availed themselves of the services we provide. We will continue this approach as long as we have the volunteers needed to run an effective and efficient operation. Should this change our goal will be to keep all administrative expenses to no more than 20% of the revenue we have generated. Bart Frazzitta a co-founder and a stage III adenocarcinoma esophageal cancer survivor has been the driving force behind ECEF. He was diagnosed in 1999 and went through chemotherapy, radiation therapy and

ultimately Ivor Lewis surgery. He has co-authored a book called 100 Questions & Answers About Esophageal Cancer which provides patients and caregivers with not only the medical response to these selected 100 questions but also a response, from a patients perspective, which has proven helpful to the people who have read the book. Since this book is, in part, an introduction to this disease, he felt it necessary to produce this guide so that patients who have gone through this surgery can have a reference guide to help them navigate the issues they may face as they journey beyond this disease. It is intended to help with quality of life issues and should be looked at, with all the suggestions presented, as a guide to talk to the patient's physician. Study & Answer Guide Dr. Martin Luther 1483-1546 Nov 30 2020 This Study Guide, with added suggested answers to 445 questions, was produced to highlight this basic truth as it is presented throughout that 400+ page book, "Dr. Martin Luther 1483-1546." In addition to reading this book, it is very beneficial to have it read and discussed in groups, small or large. Such group discussions may be done as suggested with the Study Guide in order to better understand God's Word as it is applied, and God's use of history. The 400+ page book demonstrates how our God blessed, guided and protected a group of professors in Wittenberg, Germany, for the purpose of reformation. Those professors were blessed to produce a contemporary, reliable translation of the Bible under the leadership of Dr. Martin Luther over a period of approximately twenty years. There are certain central ideas woven into the contents of the book which can be better recognized and appreciated through the use of this Study Guide. These ideas are summarized as follows: First: God, not man, brought about a number of church reformation movements throughout history, beginning with the one in the Garden of Eden. After a number of other such reformation movements God also provided the Lutheran Reformation of the 16th Century. Second: Reliable and faithful translation of His Holy Word into common language was, and still is, of highest importance for all people to read and to hear. Third: God still wants all people to receive eternal life. His Word informs us with simple and precise terms that this can only happen by God's grace through faith in Jesus Christ, as revealed in God's Word. Our Savior himself launched the central reformation movement in world history. This reformation began nearly 2000 years ago as St. Mark was inspired to write, quoting Jesus himself, "The time has come. ... The kingdom of God is near. Repent and believe the good news." (Mark 1:15) To be genuine, the Lutheran Reformation, as well as all other church reformation movements in history, had to remain focused on our Savior's central reformation.
