Eligible only on retail purchases inside the United States. Void where prohibited, taxed, or restricted by law. Additional offer details inside. After almost three decades of pastoring New Life Fellowship Church in the bustle of New York City, Peter

Scazzero discovered that most people are missing the deep emotional change that can happen in their walk with Jesus. Scazzero found two truths to be true: you can't be spiritually mature while remaining emotionally immature, and unless you slow and quiet your life down for a direct relationship with Jesus Christ, little change is possible. The integration of these two truths unleashed a spiritual revolution in Scazzero, in his church, and now in thousands of other churches. In this booklet based on his bestselling book *Emotionally Healthy Spirituality*, Scazzero helps readers identify the top ten symptoms of emotionally unhealthy spirituality and what they can do about them. He includes an assessment for readers to take to find out how emotionally healthy they really are and seven devotions to lead them on the journey to health. How does the church portray the beauty of Christ? The gospel is the greatest message of all time addressing the greatest need of all people. However, the good news about Jesus does more than just promise eternal life to all who believe. In the latest addition to the *9Marks: Building Healthy Churches* series, pastor Ray Ortlund explains the gospel's power to transform individuals from the inside out and create beautiful human relationships. This short book helps readers experience the power of God as they are encouraged to trust in Christ and allow him to transform their beliefs, perspectives, and practices. For everyone who wants to be true to

the Bible and honest with themselves, this book offers a practical guide to the fundamental teachings of the gospel and how they affect our relationships with others. As you read this book you will be encouraged. You will understand the need to help your children be better prepared, not only for the challenges in life, prepared to follow Gods word and see it produce fruit in their lives. Rafael Natividad Pastor, Life Fellowship Church of Denton, Texas God does not want blind faith. It is not enough to believe sincerely. God desires intelligent faith. He gave us defensible faith. He gave us the Bible, the truth and accuracy of which will withstand every assault by the Enemy. He also gave us the ability and the responsibility to advance his kingdom in love and kindness, and the key to having an answer to everyone who asks. He gave us as parents the privilege and the obligation to teach these truths to our children. If we are to impart Biblical truth to our children in a way that they will cherish for a lifetime, and become passionate about imparting the same truth to their children, learning about God should be joyous, fun, and exciting. God is bigger than the mistakes we make along the way, and it is he-and not we-who protects and transforms our children. God does not give us any job he does not equip and empower us to accomplish. This book is about providing tools, suggestions, and encouragement to you as parents in your most awesome task of equipping and empowering your children so that

they may be rooted in Christ, be filled with his love and world-view, and be launched into the world as his salt and light. Serving with Honor is a book about ministry, but more importantly it's a book about a form of integrity sorely lacking in today's "me-centered" church. While the focal point of Serving with Honor is discovering and reaching one's personal calling and destiny, the how-to part will provide eye-opening revelation regarding several principles that modern-day Christians seem totally ignorant about. At times this book will hit nerves and touch many sensitive issues, but at all times the Scriptures form the foundation of this sorely-needed guidebook on serving God's Kingdom with honor and reaching one's personal destiny in the process. "Many people today are flight risks in their local churches. Quick to find greener grass, they forfeit their destinies for a feel-good, temporary solution to the pressure of balancing family life with ministry duties. In his book, Serving with Honor, Pastor Andrew Robbins calls the church to accountability for her actions. Andrew challenges us to not forsake the process that God is taking us through by aborting God's overall plan for our lives. This book is challenging, convicting, and a great comfort to those of us who still believe in the local church." -Pastor Randall Burton, Northview Church, Columbus, IN, Founder and President of Zebulun INC, and author of the book, River Rising Ignite a deeper, more vibrant relationship with

God that impacts not just your spiritual life but every aspect of your daily life. John Ortberg calls readers back to the dynamic heartbeat of Christianity--God's power to bring change and growth--and reveals how and why transformation takes place. *The Life You've Always Wanted* offers modern perspectives on the ancient path of the spiritual disciplines. But it is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the person at the journey's end--Jesus Christ. As with a marathon runner, the secret to finishing a race lies not in trying harder, but in training consistently--training with the spiritual disciplines. The disciplines are neither taskmasters nor ends in themselves. Rather they are exercises that build strength and endurance for the road of growth. The fruit of the Spirit--joy, peace, kindness, etc.--are the signposts along the way. Paved with humor and sparkling anecdotes, *The Life You've Always Wanted* is an encouraging and challenging approach to a Christian life that's worth living--a life on the edge that fills an ordinary world with new meaning, hope, change, and joy. Based on his bestselling book *Emotionally Healthy Spirituality*, this 40-day devotional by Peter Scazzero is your guide to more intentional, meaningful, life-changing communion with God. We all struggle to find daily time to be with God for the nourishment of our souls. This

groundbreaking devotional is your key to resting fully in the awareness of his presence, increasing your self-knowledge, and growing deeper, closer to God. Each day, Peter Scazzero invites you to the ancient and yet powerful spiritual discipline of the Daily Office, the practice of pausing morning and evening to reflect on God's work in your life. In the midst of the hustle, we have to create interludes to re-center our hearts on the presence of God. For eight weeks, each morning and evening devotional will help you create that much-needed space for silence and reflection. You will be encouraged with thoughtful readings and questions to consider. And after each a closing prayer, you'll return to your day with a renewed sense of purpose and peace. This devotional is drawn from the bestselling book *Emotionally Healthy Spirituality* and can be read as a companion book or enjoyed on its own. *Emotionally Healthy Spirituality Day by Day* will anchor your life on the invitation to love God with all your heart, mind, and strength. In this guided journey, you'll discover the spiritual nourishment, joy, and peace that comes from meeting with God every day. *Emotionally Healthy Spirituality Day by Day* is also available in Spanish, *Espiritualidad emocionalmente sana Día a día*. Study guide to: *The emotionally healthy church* / Peter L. Scazzero; with Warren Bird. *Common Ground* is the story of two unsuspecting singles falling in love when their paths cross on common ground. A letter

hidden away, a triple espresso, and a song about why God made the moon unfolds in a delightful "happily-ever-after." Though it reads like a fairy tale, it is most assuredly true. This revised and expanded edition of Peter Scazzero's award-winning book not only takes the original six principles for cultivating spiritual and emotional health in your church further and deeper, but he also adds a seventh principle to show you as a church leader how to slow down to lead with integrity." What Are You Missing? Peter Scazzero learned the hard way: you can't be spiritually mature while remaining emotionally immature. Even though Pete was pastor of a rapidly growing church, he did what most people do: avoid conflict in the name of Christianity ignore his anger, sadness, and fear use God to run from God live without boundaries Eventually God awakened him to a biblical integration of emotional health, a profound relationship with Jesus, and the historical practices of contemplative spirituality. It created nothing short of a spiritual revolution, utterly transforming him and his church. In this best-selling book Pete outlines his journey and the signs of emotionally unhealthy spirituality. Then he provides seven biblical, reality-tested ways to break through to the revolutionary life Christ meant for you. Emotionally Healthy Spirituality is presently used in more than twenty-six countries to equip churches in a deep, beneath-the-surface spiritual formation paradigm that

truly transforms lives. MORE THAN 1 MILLION COPIES SOLD! A road map for discipleship with Jesus that is powerfully transformative. Peter Scazzero learned the hard way: you can't be spiritually mature while remaining emotionally immature. Even though he was the pastor of a growing church, he did what most people do--avoid conflict in the name of Christianity; ignore his anger, sadness, and fear; use God to run from God; and live without boundaries. Eventually God awakened him to a biblical integration of emotional health and the spiritual practice of slowing down and quieting your life for to experience a firsthand relationship with Jesus. It created nothing short of a spiritual revolution in Scazzero, in his church, and now in thousands of other churches. In this updated edition, Scazzero shares new stories and principles as he outlines his journey and the signs of emotionally unhealthy spirituality. Then he provides seven biblical, reality-tested steps to become emotionally mature: Become your authentic self Break the power of the past Let go of power and control Surrender to your limits Stop to breathe by practicing rest and Sabbath Learn new skills to love well Love Christ above all else Plus, check out the full line of Emotionally Healthy Spirituality books dedicated to many different key areas of life. Workbooks, study guides, curriculum, and Spanish editions are also available. In this compelling book about diversity and community, McKnight shares his

personal experiences and his study of the Apostle Paul to answer this significant question: What is the church supposed to be? Local churches matter far more than we often know because they determine what Christian life looks like for you. The church McKnight grew up in was a fellowship of sames and likes. Mostly white, same beliefs about everything, same tastes in music and worship and sermons and lifestyle. But the church God designed, says McKnight, is meant to be a fellowship of difference and different. A mixture of people from all across the map and spectrum: men and women, rich and poor, black and white, and everything in between. A Fellowship of Differents explores the church as God's world-changing social experiment of bringing unlikes and different to the table to share life with one another as a new kind of family, showing the world what love, justice, peace, reconciliation, and life together is designed by God to be. Geri Scazzero knew there was something desperately wrong with her life. She felt like a single parent raising her four young daughters alone. She finally told her husband, "I quit," and left the thriving church he pastored, beginning a journey that transformed her and her marriage for the better. In this eight-session video Bible study (DVD/digital video sold separately), Geri provides you a way out of an inauthentic, superficial spirituality to genuine freedom in Christ. This study is for every woman who thinks, "I can't keep pretending everything is fine!" The

journey to emotional health begins by quitting. Geri quit being afraid of what others think. She quit lying. She quit denying her anger and sadness. She quit living someone else's life. When you quit those things that are damaging to your soul or the souls of others, you are freed up to choose other ways of being and relating that are rooted in love and lead to life. When you quit for the right reasons, at the right time, and in the right way, you're on the path not only to emotional health, but also to the true purpose of your life. Sessions include: Quit Being Afraid of What Others Think Quit Lying Quit Dying to the Wrong Things Quit Denying Anger, Sadness and Fear Quit Blaming Quit Overfunctioning Quit Faulty Thinking Quit Living Someone Else's Life Designed for use with the Emotionally Healthy Woman Video Study (sold separately). 112217 Love Wins, the controversial bestselling book by Rob Bell, attempted to answer this question, which troubles nonbelievers and believers alike. Because Bell challenged traditional, orthodox Christian views of hell and the afterlife, many were left asking: "Are his ideas as reliable and hopeful as they sound? What does the Bible really say about hell?" In Hell, Rob Bell, and What Happens When People Die, Bobby Conway, a recognized authority on Christian apologetics, brings clarity to these serious life and death issues. "Love really does win," according to Conway, "but it's through the death, burial, and resurrection of Jesus Christ." Based

on a thorough examination of Scripture and a careful analysis of Rob Bell's propositions, Conway delivers a compelling and concise explanation of hell, the afterlife, and a loving God. The conclusion: Everyone who believes and trusts in Christ has no need to fear the anguish of hell but can confidently anticipate the eternal joy of heaven. Spending time with God is one of the greatest privileges you have in life. Greater than your public worship, greater than your spiritual gifts, greater than preaching and teaching the gospel. When you commit yourself to spending time with your Heavenly Father on a daily basis, it will change your life. Period. God wants to spend time with you, not because He's lonely, but because you so desperately need His daily presence in order to fulfill your greatest purpose. In Spending Time With God, you'll learn super practical ways to draw near to your Heavenly Father and experience life-changing transformation as He draws near to you. For starters, you'll discover: * 4 disciplines that motivate and inspire spending time with God * The incredible impact of spending time with God * Required elements for spending time with God * The power of prayer and praise while spending time with God Prepare yourself for the spectacular. Because when you experience God's daily presence, He fulfills your greatest purpose. Peter Scazzero provides all you need to know for starting and leading an evangelistic Bible study, including six sample Bible studies (with leader's notes).

Author and pastor Pete Scazzero awaken participants to a biblical integration of emotional health and the classic practices of contemplative spirituality, leading to a relational revolution with Jesus. It's a simple truth, but one that trips up believers everywhere: You can't be healthy spiritually if you're unhealthy emotionally. In this six-session, small-group Bible study, author and pastor Pete Scazzero takes a close look at what it means to break free from bondage to the past and experience true emotional healing. Many sincere followers of Christ--followers who are truly passionate for God, members of a church, servant-hearted, and considered "mature"--remain stuck at a level of spiritual immaturity, especially when faced with interpersonal conflicts and crises. The Emotionally Healthy Spirituality video study and all-church campaign kit provide a strategy for discipleship that addresses this void, integrating emotional health and contemplative spirituality to help people grow into a faith filled with authenticity and a profound love for God. The eight sessions include: The Problem of Emotionally Unhealthy Spirituality Know Yourself that You May Know God Going Back in Order to Go Forward Journey through the Wall Enlarge Your Soul through Grief and Loss Discover the Rhythms of the Daily Office and Sabbath Grow into an Emotionally Healthy Adult Go to the Next Step to Develop a "Rule of Life" The Complete Worship Ministry Handbook by pastor and

former worship leader, Andrew G. Robbins, is an extensive training resource for worship leaders, worship team members, and church members alike. Laying the foundation in the first section of the book by exploring the proper understanding and practice of true Biblical worship compared to cultural innovations, the author then turns the focus in the next two sections to worship ministry teams. Section 2 provides practical instruction to worship team members for serving God and their churches with their talents, and Section 3 provides instruction to worship leaders and ministry directors to help streamline their efforts and avoid many of the landmines associated with worship ministry leadership. Part of the bestselling Emotionally Healthy Spirituality book collection, The Emotionally Healthy Woman provides women a way out of surface-level spirituality to genuine freedom in Christ. Geri Scazzero knew there was something desperately wrong with her life. She felt like a single parent raising her four young daughters alone. She finally told her husband, "I quit," and left the thriving church he pastored, beginning a journey that transformed her and her marriage for the better. This book is for every woman who thinks, "I can't keep pretending everything is fine!" Geri speaks like a friend as she uses personal stories and biblical principles to help you find your way out of superficial spirituality and move to a deep, meaningful, lifechanging relationship with God. And the

journey begins by quitting. Geri quit being afraid of what others think. She quit lying. She quit denying her anger and sadness. She quit living someone else's life. When you quit those things that are damaging to your soul or the souls of others, you are freed up to choose other ways of being and relating that are rooted in love and lead to life. When you quit for the right reasons, at the right time, and in the right way, you're on the path not only to emotional health, but also to the true purpose of your life. Check out the full line of Emotionally Healthy Spirituality books dedicated to many different key areas of life. Workbooks, study guides, curriculum, and Spanish editions are also available. Whether you feel spiritually depleted or just need a good jumpstart then Recharge is for you. This book is packed with relevant inspiration that will renew your spirit and strengthen your faith. Abraham is an unforgettable figure of faith. Daniel is a classic example of holiness. And through her willingness to risk her own life, Esther embodies commitment. This twelve-session LifeGuide Bible Study introduces you to twelve remarkable lives described in the Old Testament. The stories of these people from the ancient past can help you learn to live well even today. A look at some of the remarkable changes that occur when we receive Jesus Christ, such as being transformed by God's Spirit, being welcomed in God's family, and finding strength to follow Jesus. Do you ever

find yourself stumped by questions about God, questions that sound like this... If God is good, why is there evil? How can a loving God send people to hell? And who made God anyway? Or maybe you've wrestled with hard-to-answer questions about the Bible, such as... Aren't there contradictions in the Bible? How can I trust the Bible if men wrote it? Isn't the Bible full of myths, like Jonah and the whale? Leading apologist Bobby Conway will help you discover, Q&A style, answers that are life-changing. And make no mistake—never has the culture and the church been in greater need of understanding who God is and what the Bible has to say to every one of us. This book, *Reclaiming My Position: A Heroic Message to Young Women* is a testament of Rev. Hardys life struggles with peer pressure, making quick and wrong decisions, and being caught amid the national crisis. However, her resilience to bounce back after every setback and consequence from wrong choices made, coupled with her steadfast obedience to the hands and the call of God upon her life, has helped her to thrive. Her story truly epitomizes a life that every young woman could go through and still own the courage to pull through life to pursue passion and fulfill a purpose. This is a must-read for every woman. A study of discipleship at Abundant Life Fellowship Church. The practice of giving the first ten percent of one's income to a church or ministry has become a topic of debate in recent years. Having been widely accepted for

generations, tithing has now come under fire by a growing segment of today's Church who insist that tithing passed away with the Old Testament Law. This treatise by Andrew G. Robbins examines both sides of the subject and seeks to bring a truly Biblical perspective for those who may still be confused about whether or not God wants them to tithe. Pastor Robbins also reaches across the aisle to those who oppose the concept of New Testament tithing with a respectful, yet powerful defense of the timeless principle of worshiping God with the tithe. One of the best-selling modern books defending the concept of New Testament tithing, entitled, *The Blessed Life*, was written by well-known pastor, Robert Morris, and Pastor Robbins takes Pastor Morris' excellent work a step further by offering readers point-by-point Biblically-based counter arguments for the most common objections to tithing, as well as Pastor Robbins' own dramatic testimony about the benefits of tithing. Geri Scazzero discovered real life and joy with Christ really began when she stopped pretending everything was fine. Summoning the courage to quit that which does not belong to Jesus' kingdom launched her on a powerful journey that changed her and everyone around her. (*Practical Life*) During our chaotic times, discover five forgotten values that can spark internal growth and help us reconcile our Christian faith with the complexities of race, sexuality, and social justice. WINNER OF THE CHRISTIANITY TODAY BOOK AWARD Most believers live

in the state of "being a Christian" without ever being deeply formed by Christ. Our pace is too frenetic to be in union with God, and we don't know how to quiet our hearts and minds to be present. Our emotions are unhealthy and compartmentalized. We feel unable to love well or live differently from the rest of the world—to live as people of the good news. New York pastor Rich Villodas says we must restore balance, focus, and meaning for our souls. The Deeply Formed Life lays out a fresh vision for spiritual breakthrough following five key values:

- Contemplative Rhythms Value: slowing down our lives to be with God.
- Racial Justice Value: examining a multi-layered approach to pursuing racial justice and reconciliation.
- Interior Examination Value: looking beneath the surface of our lives to live free and love well.
- Sexual Wholeness Value: exploring how our sexuality connects with our spirituality.
- Missional Presence Value: living as the presence of Christ in a broken world.

The Deeply Formed Life is a roadmap to live in the richly rooted place we all yearn for: a place of communion with God, a place where we find our purpose. Praise for The Deeply Formed Life "The Deeply Formed Life is a book for our time. Honest, wise, insightful, funny, and—above all—deep. The way Rich and New Life Fellowship hold emotional health and racial justice together is beyond inspiring. This is spiritual formation for the future of the church."—John Mark Comer, pastor of teaching and

vision at Bridgetown Church and author of *The Ruthless Elimination of Hurry* "I've studied the Bible under Pastor Rich's leadership for close to a decade. The core values he shares in this book serve as guidance, not only for how we should live as Christians in an ever-changing world but also for how we can live a life of purpose—that consistently and enthusiastically points to Jesus."—Susan Kelechi Watson, actress from the awardwinning television series *This Is Us*

Peter Scazzero learned the hard way: you can't be spiritually mature while remaining emotionally immature. In the *Emotionally Healthy Spirituality Workbook Expanded Edition* (DVD/digital downloads sold separately), Peter outlines a roadmap for discipleship with Jesus that is powerfully transformative. He unveils what's wrong with our current definition of "spiritual growth" and offers not only a model of spirituality that actually works, but seven steps to change that will help you experience authentic faith and hunger for God. Though Peter was an experienced pastor of a growing church, his life and faith remained emotionally unhealthy. Like so many in the church, he routinely: avoided healthy conflict in the name of keeping the peace ignored and suppressed emotions used work for God as an excuse to run from God lived without limits

In this updated and expanded workbook, Peter helps you unpack core biblical principles to guide you into an experience of lasting, beneath-the-surface transformation in your relationship with

Christ. The workbook includes session introductions, group discussion questions, application, and between-sessions personal study. This workbook is Part One of the Emotionally Healthy Discipleship Course that also includes the bestselling books, Emotionally Healthy Spirituality and Emotionally Healthy Spirituality Day by Day. Join us for a powerful journey that will walk you through a door that will change forever the way you love God, others, and yourself. Designed for use with the Emotionally Healthy Spirituality Video Expanded Edition (sold separately). It is indisputable that there are different cultures and what we term as "races" of people in our country and abroad. It is undeniable that different churches have various focuses or ministry emphases. This book poses and addresses the question as to whether there are different challenges that are faced by African American pastors. Unique Challenges of African American Pastors seeks to answer those questions and to highlight such challenges. There will be an in-depth view of those who are particularly in the South contrasted to pastors in different settings. The book begins with the history of how the African American church began in the South and follows its development, pausing along the way to examine key issues that still impact the African American church and its pastor in our modern times. The book also includes references, survey information, interviews, and other relevant resources and research gathered by Dr.

Terry L. Weems in his pursuit to determine the variance between those pastoring white congregations in comparison to African American congregations. There are recommendations given as to how an African American pastor of a small church can minister effectively and efficiently in respect to the unique challenges he or she may encounter. All Creatures Great and Small is a collection of nine charming allegories set within the Creator's forest. As each story unfolds, the happenings and mishaps of its furry and feathered characters illustrate each of the nine beatitudes of Jesus. All Creatures Great and Small seeks to paint a beautiful picture of all that believers might hope to be through following the teachings of Christ. Linda Read has a precious heart after the Lord. Her book on the beatitudes illustrates Jesus's core sermon with lovable characters in a way that children will understand. I pray that many parents will read this to their little ones and teach their children about God's heart and His Kingdom from a very young age. In Mozambique, we have discipleship with the children each week and read stories about God's love, power, and glory. Our children will be the world changers, walking in the legacy we pour into them and in even greater things than we have seen. We look forward to reading this story with our treasures and we hope that you will enjoy it as well. Heidi G. Baker, PhD Co-Founder and Director of Iris Global What an honor and joy it has been to read Linda's first children's book! In the stories I

could see the heart of God portrayed so beautifully through the lives of the animals. My prayer is that all the children, teens and adults who read Linda's book will have their eyes opened to the loving God who desires to have a relationship with us, just as He did with the animals in the stories. So, grab a tall glass of iced tea and enjoy a new perspective on the beatitudes. Carol Boening - Life-long friend and Director of AWANA, First Baptist Church, Yoakum, Texas As these animals live daily life in the forest, they teach lessons that both children and adults often face. These delightfully quirky animals handle many different scenarios in a Biblical and valuable way. This book is written in such a way that it will appeal to both children and adults. As Leah the eagle finds love, and Benjamin Beaver discovers the value of his spiritual presence in others' lives, children learn how to handle difficult emotions, and discover their Christ-centered identity, and adults are reminded where true identity comes from. In reading this book to their children, parents will open up a world of possibility and discovery. It will also allow room for conversation and growth of relationship. Randy Turner - South Campus Pastor, Beltway Park Church, Abilene, Texas

Becoming a Better Leader Starts with a Transformed Inner Life Do you feel too overwhelmed to enjoy life, unable to sort out the demands on your time? Are you doing your best work as a leader, yet not making an impact? Have

you ever felt stuck, powerless to change your environment? In *The Emotionally Healthy Leader*, bestselling author Peter Scazzero shows leaders how to develop a deep, inner life with Christ, examining its profound implications for surviving stress, planning and decision making, building teams, creating healthy culture, influencing others, and much more. *The Emotionally Healthy Leader* contains: Concise assessments for leaders and teams to measure their leadership health Practical, proven strategies that have been developed over a 28-year period spent both in the local church and in equipping leaders around the world Helpful applications of how to face your shadow, lead out of your marriage or singleness, slow down, and embrace endings for new beginnings Going beyond simply offering a quick fix or new technique, *The Emotionally Healthy Leader* gets to the core, beneath-the-surface issues of uniquely Christian leadership. This book is more than just a book you will read; it is a resource you will come back to over and over again. Discover what it Means to be Truly Spiritual Many Western Christians get sucked into the crippling thinking that a life which God will honor means going through the motions of religious observation without any real attention to the process of character transformation as we follow the example of Christ. Still others, especially those in the charismatic circles to whom most of this book will address - the same circles in which the author spent most of his Christian life - seem to

believe that a truly spiritual life is one that is marked by ecstatic emotional experiences with only a secondary focus on the daily task of building one's faith and character down in the trenches of day-to-day living where emotional highs are often absent. A discussion on the importance of understanding God's work in the day-to-day might not seem like material noteworthy enough to write a book about. Yet, you might be surprised how much emphasis God puts on it and how many Christians are frustrated in their spiritual walks because they fail to recognize how God works in the everyday events of their common day. Andrew G. Robbins has been in different facets of ministry since 1993, mostly in the areas of worship leading and teaching. In January 2010, Andrew and his wife, Donna, launched Blessed Life Fellowship (www.BlessedLifeFellowship.org), a church and ministry devoted to teaching God's people about the goodness of God and His Kingdom principles for living and experiencing God's abundance. A successful businessman and entrepreneur for the last two decades, Mr. Robbins is also an active writer, and has authored numerous books, articles, and blogs. Andrew and Donna reside in central Indiana and have three children - Hannah, Luke, and Drew. This is the story of Jose Luis Flores' transformation from the world of drugs and gangs, to being a devoted follower of Christ. In his early life, Jose was introduced to the world of heroin addiction by a friend from New

York at the tender age of twelve. It's from there that his transformation began as he began his walk in the faith that eventually led him to be called to ministry, a loving marriage, and lifetime achievements. This book serves as a guide for anyone struggling with addiction or interested in ministry.
