One Hundred Bullets Feb 19 2023 A mysterious agent named Graves approaches ordinary citizens and gives them an opportunity to exact revenge on a person who has wronged them.

Bullets Dec 05 2021 Book of hard-hitting, witty, and insightful quotes by Thorin.

Human Bullets Dec 13 2019 "This little book of Lieutenant Sakurai's will, oerhaps, help to set us right in regard to the spirit in which the Japanese soldier fights. The story was told originally, not for a foreign audience, but to give to his own countrymen a true picture of the lives and deaths, the joys and sorrows, of the men who took Port Arthur"--Page vii.

Stray Bullets: Sunshine & Roses Vol. 4 Sep 02 2021 Steal the money and drugs check. Get gone check. It was supposed to be all over. These were supposed to be the good timesÑthe days of sunshine and roses. So why don't they feel that way? Collects STRAY BULLETS: SUNSHINE and ROSES #25-32

Bourbon and Bullets Aug 13 2022 John C. Tramazzo highlights the relationship between bourbon and military service to show the rich and dramatic connection in

American history.

Stray Bullets #40 Sep 21 2020 Zippity Doo-Dah!' The legendary noir series returns. Includes a pencil sketch of a panel in the issue.

Stray Bullets Apr 28 2021 In *The Guilty Plea* and *Old City Hall*, critically acclaimed author Robert Rotenberg created gripping page-turners that captured audiences in Canada and around the world. Rotenberg's bestsellers do for Toronto what Ian Rankin has done for Edinburgh and Michael Connelly for Los Angeles. In *Stray Bullets*, Rotenberg takes the reader to a snowy November evening. Outside a busy downtown doughnut shop, gunshots ring out and a young boy is critically hurt. Soon Detective Ari Greene is on scene. How many shots were fired? How many guns? How many witnesses? With grieving parents and a city hungry for justice, the pressure is on to convict the man accused of this horrible crime. Against this tidal wave of indignation, defense counsel Nancy Parish finds herself defending her oldest and most difficult client. But does anyone know the whole story? *Stray Bullets* is Robert Rotenberg's third intricate mystery set on the streets and in the courtrooms of Toronto.

Washington Bullets Feb 24 2021 Engaging stories in the form of Marxist journalism about US imperialism *Washington Bullets* is written in the best traditions of Marxist journalism and history-writing. It is a book of fluent and readable stories, full of detail

about US imperialism, but never letting the minutiae obscure the larger political point. It is a book that could easily have been a song of despair—a lament of lost causes; it is, after all, a roll call of butchers and assassins; of plots against people’s movements and governments; of the assassinations of socialists, Marxists, communists all over the Third World by the country where liberty is a statue. Despite all this, *Washington Bullets* is a book about possibilities, about hope, about genuine heroes. One such is Thomas Sankara of Burkina Faso—also assassinated—who said: ‘You cannot carry out fundamental change without a certain amount of madness. In this case, it comes from nonconformity, the courage to turn your back on the old formulas, the courage to invent the future. It took the madmen of yesterday for us to be able to act with extreme clarity today. I want to be one of those madmen. We must dare to invent the future.’ *Washington Bullets* is a book infused with this madness, the madness that dares to invent the future.

Silver Bullets Aug 21 2020 In this sizzling, exciting novel, four women show that age is just a number by seeking out new forms of pleasure, love, and romance. Whether it be getting a tattoo, using whips and chains, or preparing dinner in nothing but stilettos, four divas—all best friends and over fifty years old—decide that they need to spice up their love lives. And they’re willing to go to any length to achieve that. So Emma,

Queenie, Yolanda, and Connie set out to get the pleasure they crave. For Emma, that means rekindling her sex life with her doting husband, whom she decides to take care of for once. Yolanda, who is still turning heads and could have anyone she wants, finally meets a man who suits her tastes—but can she suit his? Queenie, who is fifty-eight and divorced, entertains her on-again, off-again male friend one night when he's lucky enough to get his hands on some Viagra. And Connie, who has never been married, is in love with a man who won't put a ring on her finger. Will she be able to convince him to marry her, or, more importantly, does she even want that herself? As things start heating up, the ladies' lives get sexier...and more complicated. Soon, the four divas soon face more drama than they bargained for...

Sixteen Bullets: The True Story of a Man Who Has Been Shot 16 Times—and Is Still Alive to Tell About It. Feb 07 2022 The harrowing, chilling, hilarious true tale of Duke, a mercenary, skydiver, motorcyclist, SCUBA diver, woman crazy adrenaline junkie who has been shot sixteen times--and is still alive to tell about it.

Don't Be Afraid of the Bullets May 18 2020 Laura Kasinof studied Arabic in college and moved to Yemen a few years later—after a friend at a late-night party in Washington, DC, recommended the country as a good place to work as a freelance journalist. When she first moved to the capital city of Sanaa in 2009, she was the only

American reporter based in the country. She quickly fell in love with Yemen's people and culture, and even found herself the star of a local TV soap opera. When antigovernment protests broke out in Yemen in 2011, part of the revolts sweeping the Arab world at the time, she contacted the New York Times to see if she could cover the rapidly unfolding events for the newspaper. Laura never planned to be a war correspondent, but found herself in the middle of brutal government attacks on peaceful protesters. As foreign reporters were rounded up and shipped out of the country, Laura managed to elude the authorities but found herself increasingly isolated—and even more determined to report on what she saw. With a new foreword by the author about what has happened in Yemen since the book's initial publication, *Don't Be Afraid of the Bullets* is a fascinating and important debut by a talented young journalist.

Three Bullets Oct 11 2019 The Bloods are in control and they're desperate to turn Britain into the world they want to see: right, white, Christian supremacist. Anyone who they call abnormal is a target. Amidst the chaos of civil war the country is on the move as small militia groups fight each other and a sea of refugees escapes the cities and the pursuing Bloods. When her home is destroyed in a bombing raid, Marti must strike out on a mission of her own - to save her father and get his vital software into the right hands. But Marti is mixed race and trans and has her young brother in tow. Crossing

into enemy territory could prove suicidal. Yet Marti's enemies haven't reckoned with her indomitable will to survive - and the gun she carries, which has three bullets . . .

Slow Bullets Jan 18 2023 From the author of the Revelation Space series comes an interstellar adventure of war, identity, betrayal, and the preservation of civilization itself. A vast conflict, one that has encompassed hundreds of worlds and solar systems, appears to be finally at an end. A conscripted soldier is beginning to consider her life after the war and the family she has left behind. But for Scur - and for humanity - peace is not to be. On the brink of the ceasefire, Scur is captured by a renegade war criminal, and left for dead in the ruins of a bunker. She revives aboard a prisoner transport vessel. Something has gone terribly wrong with the ship. Passengers - combatants from both sides of the war - are waking up from hibernation far too soon. Their memories, embedded in bullets, are the only links to a world which is no longer recognizable. And Scur will be reacquainted with her old enemy, but with much higher stakes than just her own life.

Paper Bullets: (Psychological Warfare During WW2) Mar 28 2021 'Paper Bullets' is an easy -to-read primer on psychological warfare during World War 2.

Stray Bullets #34 Jul 20 2020 Higily-Pigily!' The legendary noir series returns. Includes 9-page storyboards for 'The Parallax Man.'

A Million Bullets and A Rose Jan 14 2020

Don't Be Afraid of the Bullets Jan 26 2021 Laura Kasinof studied Arabic in college and moved to Yemen a few years later—after a friend at a late-night party in Washington, DC, recommended the country as a good place to work as a freelance journalist. When she first moved to the capital city of Sanaa in 2009, she was the only American reporter based in the country. She quickly fell in love with Yemen's people and culture, and even found herself the star of a local TV soap opera. When antigovernment protests broke out in Yemen in 2011, part of the revolts sweeping the Arab world at the time, she contacted the New York Times to see if she could cover the rapidly unfolding events for the newspaper. Laura never planned to be a war correspondent, but found herself in the middle of brutal government attacks on peaceful protesters. As foreign reporters were rounded up and shipped out of the country, Laura managed to elude the authorities but found herself increasingly isolated—and even more determined to report on what she saw. With a new foreword by the author about what has happened in Yemen since the book's initial publication, *Don't Be Afraid of the Bullets* is a fascinating and important debut by a talented young journalist.

Eight Bullets May 10 2022 The lesbian victim of a violent hate crime that left her seriously wounded and her partner dead is the story of family and community, the

medical system, the police and courts, and the media--and of one woman's incredible courage. Simultaneous. IP.

Sweating Bullets Jun 11 2022 PowerPoint was the first presentation software designed for Macintosh and Windows, received the first venture capital investment ever made by Apple, then became the first significant acquisition ever made by Microsoft, who set up a new Graphics Business Unit in Silicon Valley to develop it further. Now, twenty-five years later, PowerPoint is installed on more than one billion computers, worldwide. In this book, Robert Gaskins (who invented the idea, managed its design and development, and then headed the new Microsoft group) tells the story of its first years, recounting the perils and disasters narrowly evaded as a startup, dissecting the complexities of being the first distant development group in Microsoft, and explaining decisions and insights that enabled PowerPoint to become a lasting success well beyond its original business uses.

Stray Bullets Oct 15 2022 "From the brutal schoolyards of a Baltimore suburb, to a perverse desert town where a desperate trio attempts to lay low from the thugs pursuing them, to the bedrooms of Los Angeles where dreams become irrevocably twisted into nightmares, a picture unfolds. A mind-blowing portrait of the dark and violent corners of both reality and imagination--of the lost lives of people who are savagely ripped

apart by events beyond their control ..."--Page 4 of cover

Bullets for Coffins Jun 18 2020 Huey Dusk is a clown, but he's no joke. In this caper he searches for the murderer of a beloved televangelist and ends up uncovering a conspiracy involving money, greed, government intrigue and a deadly dwarf clown assassin.

Catching Bullets Nov 16 2022 'Catching Bullets' is a love-letter to James Bond, Duran Duran title sequences and bolting down your tea quick enough to watch Roger Moore falling out of a plane without a parachute.

Ralph Compton Thirteen Bullets Apr 16 2020 In this raucous new book in Ralph Compton's Gunfighter series, the only thing Dan Karr can't shoot down is his suspicion about the man who's paying him. George Kingsley has more money than sense, and when he's in trouble he turns to the infamous gunslinger Dan Karr for protection. Dan reluctantly accepts, and he kills every would-be assassin without hesitation or remorse. He's superstitious, not sentimental, but Kingsley has kids, and Dan doesn't want to see any child grow up without a father. As the killers keep coming and the bodies stack up, it becomes clear that something is very wrong. Luck favors the prepared, and Dan starts to realize just how little he knows about the family he's risking his neck for. He's always been good at dodging black cats and broken mirrors,

but he's spent enough time around gamblers to know that a hot streak can't last forever. Sooner or later, every man's luck runs out...

Paper Bullets Sep 14 2022 “A Nazi resistance story like none you've ever heard or read.” —Hampton Sides, author of *Ghost Soldiers* and *On Desperate Ground* “Every page is gripping, and the amount of new research is nothing short of mind-boggling. A brilliant book for the ages!” —Douglas Brinkley, author of *American Moonshot* A Stonewall Honor Book in Nonfiction Longlisted for the Carnegie Medal for Excellence in Nonfiction *Paper Bullets* is the first book to tell the history of an audacious anti-Nazi campaign undertaken by an unlikely pair: two French women, Lucy Schwob and Suzanne Malherbe, who drew on their skills as Parisian avant-garde artists to write and distribute “paper bullets”—wicked insults against Hitler, calls to rebel, and subversive fictional dialogues designed to demoralize Nazi troops occupying their adopted home on the British Channel Island of Jersey. Devising their own PSYOPS campaign, they slipped their notes into soldier's pockets or tucked them inside newsstand magazines. Hunted by the secret field police, Lucy and Suzanne were finally betrayed in 1944, when the Germans imprisoned them, and tried them in a court martial, sentencing them to death for their actions. Ultimately they survived, but even in jail, they continued to fight the Nazis by reaching out to other prisoners and spreading a message of hope.

Better remembered today by their artist names, Claude Cahun and Marcel Moore, the couple's actions were even more courageous because of who they were: lesbian partners known for cross-dressing and creating the kind of gender-bending work that the Nazis would come to call "degenerate art." In addition, Lucy was half Jewish, and they had communist affiliations in Paris, where they attended political rallies with Surrealists and socialized with artists like Gertrude Stein. Paper Bullets is a compelling World War II story that has not been told before, about the galvanizing power of art, and of resistance.

Bullet Ricochet of Polymer Coated Bullets Nov 04 2021 Polymer coated bullets were designed to limit a shooter's exposure to lead. However, despite the advantages that these bullets give there are still difficulties which arise in a forensic firearms examination. Unlike in a typical metal coated bullet, individualizing striations will typically not be imparted to a polymer coated bullet making it unable to be linked to a specific firearm. Due to this difficulty any information that can be gained at the scene of the crime could be crucial. Some obtainable information includes the angle of ricochet and the angle of incidence of the discharged bullet as well as traces from the polymer coating found at the impact mark. In this project the ricochet angle and angle of incidence were calculated using a trigonometric equation, and the velocity was also

measured with a chronograph. The data was collected using 9 mm Luger Federal brand total synthetic jacket (TSJ) bullets and 9 mm Luger Federal brand full metal jacket (FMJ) bullets. The selected substrates were sheetrock®, sheet metal, and durock® cement boards. Upon the collection of the velocity data the TSJ bullets had a significantly lower average velocity (p-value of

Sunshine and Bullets Jul 12 2022 Sunshine. It's a nickname I haven't heard since I lived on Woodbury Lane, where the houses were pretty but the secrets? Deadly. It was a pet name known only to the Bullets. Rough, violent, and ruthless, they laid claim to the town - and my heart. I wasn't supposed to fall for a boy from the wrong side of the tracks-especially not four of them. But they were the only ones who understood that sometimes hell hides in plain sight. I was the girl with all the conveniences a privileged upbringing could provide. The world only saw two loving parents and a pristine home life, but I knew the truth. And it was going to get me killed. So, I disappeared, from everyone and everything I'd ever known. I changed my name and my appearance, but the scars I carry, they're still the same. The Bullets are all grown up now, too - a crime boss, a pro fighter, a bounty hunter, and a federal agent. Life took them in different directions, but they once shared the bonds of a brotherhood forged under the harshest conditions. Together they were fearless. Brutal. Unstoppable. I'm praying they can find

that unity again. If I'm going to survive this, it'll take everything they have. Because that's the thing about running from the past. Eventually, it catches up to you. This omnibus contains the complete trilogy.

Washington Bullets Dec 17 2022 Engaging stories in the form of Marxist journalism about US imperialism Washington Bullets is written in the best traditions of Marxist journalism and history-writing. It is a book of fluent and readable stories, full of detail about US imperialism, but never letting the minutiae obscure the larger political point. It is a book that could easily have been a song of despair—a lament of lost causes; it is, after all, a roll call of butchers and assassins; of plots against people's movements and governments; of the assassinations of socialists, Marxists, communists all over the Third World by the country where liberty is a statue. Despite all this, Washington Bullets is a book about possibilities, about hope, about genuine heroes. One such is Thomas Sankara of Burkina Faso—also assassinated—who said: 'You cannot carry out fundamental change without a certain amount of madness. In this case, it comes from nonconformity, the courage to turn your back on the old formulas, the courage to invent the future. It took the madmen of yesterday for us to be able to act with extreme clarity today. I want to be one of those madmen. We must dare to invent the future.' Washington Bullets is a book infused with this madness, the madness that dares to

invent the future.

The Practical Guide to Man-powered Bullets Mar 08 2022 People have long been shooting small stones and carefully rounded bullets of clay, glass, steel, and lead from weapons without using gunpowder. And the bow and arrow has been man's choice all over the world and throughout history at times when modern firearms have been unavailable or unsuitable. In America, there is currently an explosion of interest in making primitive archery tackle--wooden bows, flint arrowheads, natural fiber strings. The author has made and shot flint-tipped arrows from many bows of his own making. He first noticed, twenty years ago, that no one has written a book on catapults, and started to keep records of his own experiments in that and other related fields, leading to this book, which explores many of the ways, old and new, in which people have shot bullets by force of their own muscles.

Ballots and Bullets Nov 11 2019 On July 23, 1968, police in Cleveland battled with black nationalists. The dramatic shootout in the Glenville neighborhood left ten dead and over fifteen wounded. The event sparked days of heavy rioting and raised myriad questions. Were these shootings an ambush by the nationalists? Or were the nationalists defending themselves from an imminent police assault? Mystery still surrounds how the urban warfare started and the role the FBI might have played in its origin.

Cleveland's story intersected with with some of the most important African American figures of the time. Dr. Martin Luther King and Malcolm X both came to Cleveland, shaping the debate over how to address systemic racism. Should it be with nonviolence or armed self-defense? Malcolm X first delivered his iconic "The Ballot or the Bullet" speech in Cleveland. Three years later, in 1967, Carl Stokes, with King's help, became the first black mayor of a major US city. The ballot seemed to have triumphed over the bullet—and then Dr. King was assassinated. In the spring of 1968, while Mayor Stokes kept peace in Cleveland and Bobby Kennedy came to deliver his "Mindless Menace of Violence" speech, nationalists used an antipoverty program Stokes created in King's honor to buy rifles and ammunition. *Ballots and Bullets* examines the revolutionary calls for addressing racism through guerrilla warfare in America's streets. It also puts into perspective the political aftermath, as racial violence and rebellions in most American cities led to white backlash and provided lift to the counterrevolution that brought Richard Nixon to power, effectively marking an end to President Johnson's "War on Poverty." Fifty years later, many politicians still call for "law and order" to combat urban unrest. The Black Lives Matter movement and continued instances of police misconduct and brutality show that the cycle of race-based violence continues. The root causes—racism and poverty—remain largely unaddressed.

Stray Bullets: Sunshine & Roses #12 Feb 13 2020 With Kretchmeyer forcing their hand, the heist is happening tonight whether Beth and Orson like it or not, and they must come to terms with the fact that they're likely to be caught, subjected to unimaginable torture and pain, then die.

Bribes, Bullets, and Intimidation May 30 2021 Bribes, Bullets, and Intimidation is the first book to examine drug trafficking through Central America and the efforts of foreign and domestic law enforcement officials to counter it. Drawing on interviews, legal cases, and an array of Central American sources, Julie Bunck and Michael Fowler track the changing routes, methods, and networks involved, while comparing the evolution and consequences of the drug trade through Belize, Costa Rica, Guatemala, Honduras, and Panama over a span of more than three decades. Bunck and Fowler argue that while certain similar factors have been present in each of the Central American states, the distinctions among these countries have been equally important in determining the speed with which extensive drug trafficking has taken hold, the manner in which it has evolved, the amounts of different drugs that have been transshipped, and the effectiveness of antidrug efforts.

Bread Or Bullets Oct 03 2021 The first thoroughly documented history of organized labor in nineteenth-century Cuba, this work focuses on how urban laborers joined

together in collective action during the transition from slave to free labor and in the last decades of Spanish colonial rule in Cuba.

Stray Bullets: Sunshine & Roses #38 Nov 23 2020 Lil' B and Boris are on the run from everybody. With no one to trust they take a gamble on a remote, off-the-grid station that may be full of insane people, but hopefully insane people who have never heard of themÉ

100 bullets Apr 09 2022

Those are Real Bullets Aug 01 2021 Narrates the events of "Bloody Sunday," when British paratroopers opened fire on Irish Catholics, resulting in thirteen deaths and a renewed, violent fight against British presence.

Rifle Bullets for the Hunter Mar 16 2020

Bugs and Bullets Dec 25 2020 Romania entered World War I in the summer of 1916 woefully unprepared to sustain a war on its own. The country faced near collapse as its Allies did not follow through on their promises and the Central Powers advanced into the kingdom. An unexpected participant in the events that unfolded as the Central Powers invaded Romania and occupied the capital city of Bucharest was an American doctor, Joseph Breckinridge Bayne. Like many of his generation, such as Ernest Hemingway, Richard Norton, Anne Hathaway Vanderbilt, and many others, driven by

a spirit of adventure and a desire to help humanity in this moment of crisis, Bayne set out for Europe to throw in his lot with the Allied forces. After arriving in London, an unlikely set of circumstances led him to Romania, an isolated post on the Eastern Front of the war where his medical skills were greatly needed. *Bug and Bullets* is the memoir of this brave doctor who spent the next two years combating disease and epidemics, and dealing with the horrors of war from behind enemy lines on the Eastern Front. Bayne worked at a military hospital in Bucharest, both before and after the German occupation of the Romanian capital. When the front lines had stabilized further to the East and the influx of wounded soldiers ceased, Bayne took his services to the villages outside the capital that were ravaged by disease and hunger. Once the war had ended, Bayne again volunteered his services and returned to Romania with the Red Cross to help to reign in the typhoid epidemic and to rebuild the country he had grown to love. Bayne's memoir provides a unique account of life in Romania during the First World War. He vividly describes medical conditions faced on the Eastern Front, revealing firsthand the savagery of war. *Bugs and Bullets* portrays the difficulties faced by the civilian population, overwhelmed by hunger and disease. As a foreign observer, he also provides a unique glimpse into life in Romanian villages during the war and creates an insightful portrait of the land and its people. This edition of *Bugs and Bullets*,

published to mark the 100th anniversary of the end of the Great War, is edited and enhanced by a thorough introductory study on the author's life and work by Dr. Ernest H. Latham, Jr., former cultural attaché at the American Embassy in Bucharest. Dr. Latham is a well-known specialist in Romanian history and has written the only biography of Dr. Bayne, entitled *What Strange Fate. Bugs and Bullets* is essential reading for anyone interested in medical conditions during World War I and life on the Eastern Front during this dramatic period in history. It also provides a valuable look at life in the country on the eve of the creation of modern Romania.

The Holocaust by Bullets Jan 06 2022 The poignant story of how a Catholic priest uncovered the truth behind the murder of one and a half million Ukrainian Jews Father Patrick Desbois documents the daunting task of identifying and examining all the sites where Jews were exterminated by Nazi mobile units in the Ukraine in WWII. Using innovative methodology, interviews, and ballistic evidence, he has determined the location of many mass gravesites with the goal of providing proper burials for the victims of the forgotten Ukrainian Holocaust. Compiling new archival material and many eye-witness accounts, Desbois has put together the first definitive account of one of World War II's bloodiest chapters. Published with the support of the United States Holocaust Memorial Museum. "[T]his modest Roman Catholic priest from Paris,

without using much more than his calm voice and Roman collar, has shattered the silence surrounding a largely untold chapter of the Holocaust." --The Chicago Tribune
