The Anthology Along With A Comprehensive Introduction And Brief Bio-Data Of The Poets Features A Number Of Eminent Personalities. Poetry. In A THOUSAND YEARS OF PERSIAN RUBAIYAT, Reza Saberi translates over 1,500 quatrains from more than a hundred Iranian poets from the beginning of written Persian poetry to the present. A ruba'i is a poem in four lines, which is complete in itself and expresses a single feeling or thought in a very concise and elegant language. The subjects of rubaiyat include divine love, the ecstasy of love, mystical knowledge, and the nature of life and existence. Loeffler has recorded interviews with representatives of the diverse cultures of New Mexico, revealing the cultural mosaic of the people along the Continental Divide. This special volume is dedicated to the contributions of women ichthyologists. Three colleagues were selected to represent all women ichthyologists, Ethelwynn Trewavas (ET), Rosemary Lowe-McConnell (Ro) and Eugenie Clark (Genie). All have had distinguished professional careers and have contributed in their own ways to their science. The career of each is highlighted by a personal interview with one of the editors of the volume, a bibliography of their lifetime publications, and a biography of their careers. Questions of historical inequities and current controversies in the treatment of women ichthyologists by their peers are raised and addressed by the women themselves. The personal and professional influences of these three women, and other women ichthyologists, are highlighted. A survey article by Pat Brown brings a number of women ichthyologists to the attention of a broader audience, and points the way for a more comprehensive historical consideration of the accomplishments and contributions of women ichthyologists. The volume continues with 16 solicited and contributed papers. ET's studies of taxonomy and life history are echoed in papers on the taxonomy and systematics of marine angelfishes, and of freshwater bitterlings, a review of reproduction in the North Atlantic ichthyofauna, and a comparison of reproductive styles and systematics of African minnows. Ro's studies on ecology, life history and behaviour are paralleled by papers on growth and metabolism in piranha, the community structure in tide pool fishes, and the social system and reproductive patterns in groupers. Genie's pioneering work on sexual roles and sex change, and her field studies of the behaviour of marine fishes are reflected in papers on gonadal structure and environmental sex determination in brook lamprey, sexual patterns in hawkfish, reproduction and systematics in phallostethids, gonadal structure and systematics in gobiids, reproductive and predator avoidance behaviour in razorfish, early ontogeny of an African mouth brooder, and alternative life histories in killifish. These unique voices combine in a harmony of Mexican and American, of magical and ordinary, of tragedy and triumph. From established writers to emerging talents, the contributors to this volume represent the depth and beauty of a community that is just beginning to make itself heard. The collection features the short story "The Time About the Dog" by Álvaro Rodríguez, co-screenwriter of the recent film Machete. Other contributors: Angélica Maldonado, Yaresy Salinas, María Ramírez, Daniel Tyx, Mónica G. Hernández, Félix Omar Vela, Evangelina Ayon, Lois Marie Garza, Charlene Bowles, Robert Brown, Cindy Jáimez, Virgilio B. important literature written by women during this period has survived. Edited by I. M. Plant, *Women Writers of Ancient Greece and Rome* is a comprehensive anthology of the surviving literary texts of women writers from the Graeco-Roman world that offers new English translations from the works of more than fifty women. From Sappho, who lived in the seventh century B.C., to Eudocia and Egeria of the fifth century A.D., the texts presented here come from a wide range of sources and span the fields of poetry and prose. Each author is introduced with a critical review of what we know about the writer, her work, and its significance, along with a discussion of the texts that follow. A general introduction looks into the problem of the authenticity of some texts attributed to women and places their literature into the wider literary and social contexts of the ancient Graeco-Roman world.

Edited by Gerard Kuc, this is an anthology of poems written by members from around the world of an online group, The Contemporary Poet Guild. This is a nonprofit work to help give them the recognition their work deserves. The new edition of this celebrated anthology surveys the Western philosophical tradition from its origins in ancient Greece to the work of today's leading philosophers.

Western Philosophy: An Anthology provides an authoritative guided tour through the great tradition of Western philosophical thought. The seminal writings of the great philosophers along with more recent readings of contemporary interest are explored in 144 substantial and carefully chosen extracts, each preceded by a lucid introduction, guiding readers through the history of a diverse range of key arguments, and explaining how important theories fit into the unfolding story of Western philosophical inquiry. Broad in scope, the anthology covers all the main branches of philosophy: theory of knowledge and metaphysics, logic and language, philosophy of mind, the self and freedom, religion and science, moral philosophy, political theory, aesthetics, and the meaning of life, all in self-contained parts which can be worked on by students and instructors independently. The third edition of the *Anthology* contains newly incorporated classic texts from thinkers such as Aquinas, Machiavelli, Descartes, William James, and Wittgenstein. Each of the 144 individual extracts is now followed by sample questions focusing on the key philosophical problems raised by the excerpt, and accompanied by detailed further reading suggestions that include up-to-date links to online resources. Also new to this edition is an introductory essay written by John Cottingham, which offers advice to students on how to read and write about a philosophical text.

Part of the Blackwell Philosophy Anthologies series, *Western Philosophy: An Anthology, Third Edition* remains an indispensable collection of classic source materials and expert insights for both beginning and advanced university students in a wide range of philosophy courses. This anthology gathers a broad selection of Russian folktales, legends, and anecdotes, and includes helpful features that make them more accessible and engaging for English-language readers. Editor Jack V. Haney has selected some of the best tales from his seven-volume "Complete Russian Folktale" collection and added examples of anecdotes and the long 'serial tales' told in the far north. The 114 tales included here represent every genre found in the Russian tradition. They date from the eighteenth through the twentieth centuries and come from all geographic regions of the Russian-speaking world. The collection is enhanced by a detailed introduction to the folktale and its types, brief introductions to each grouping of tales, head notes with interesting background for individual tales, and a glossary explaining Russian terms. This volume is a brief anthology of the most influential writing by American scientists between 1800 and 1900. Arranged thematically and chronologically to highlight the progression of American science throughout the nineteenth century – from its beginnings in self-taught classification and exploration to the movement towards university education and specialization – it is the first collection of its kind. Each section begins with a biography, putting human faces to

each time period, and introducing such notable figures as Thomas Jefferson and Louis Agassiz. A collection of stories from Dorris Place Elementary school writers *Where the Mesquite Tree Grows* is a poignant and riveting journey through the thoughts and recollections of a Mexican American young man who, like others of his generation, searched for purpose, meaning, and self-discovery. The journey begins in the cotton fields along the Rio Grande and follows the author through the 1960s cultural revolution, into the jungles of Vietnam, and finally to his return to his roots and his legacy along the Rio Grande. It is a compilation of memories, thoughts, and even nightmares blended into a kaleidoscopic work that will make you laugh, make you cry, and make you think. The author examines and reveals in passionate writing his emotions and his sentiments about the past and current culture of his heritage and the social evolution within that culture, revealing his life experiences in words that define not only him but his generation.

Johann Gottfried Herder (1744-1803) was an influential German critic and philosopher, whose ideas included "cultural nationalism" - that every nation has its own personality and pattern of growth. This anthology contains excerpts from Herder's writings on world history and related topics. This definitive anthology gathers stories, essays, memoirs, excerpts from novels, and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language. It features writers of the tsarist, Soviet, and post-Soviet periods, both in Russia and in the great emigrations, representing styles and artistic movements from Romantic to Postmodern. The authors include figures who are not widely known today, as well as writers of world renown. Most of the works appear here for the first time in English or in new translations. The editor of the anthology, Maxim D. Shrayer of Boston College, is a leading authority on Jewish-Russian literature. The selections were chosen not simply on the basis of the author's background, but because each work illuminates questions of Jewish history, status, and identity. Each author is profiled in an essay describing the personal, cultural, and historical circumstances in which the writer worked, and individual works or groups of works are headnoted to provide further context. The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish-Russian culture. This handsome two-volume set is organized chronologically. The first volume spans the nineteenth century and the first part of the twentieth century, and includes the editor's extensive introduction to the Jewish-Russian literary canon. The second volume covers the period from the death of Stalin to the present, and each volume includes a corresponding survey of Jewish-Russian history by John D. Klier of University College, London, as well as detailed bibliographies of historical and literary sources.

AN ANTHOLOGY OF AMISH ROMANCE TALES
AMISH ALL ALONG

Ruby is a young Amish woman who has written off dating after another heartbreak. Not wanting to suffer again, she focuses her attention on keeping up her grandparent's market stand. The business itself starts to struggle and Ruby is at her wit's end...when Jethro Berkey walks

back into her life. Jethro had left the Amish community behind seven years ago. But now he has returned, more mature and even more handsome than Ruby remembered. But can they both find a way to share a future together and mend the hurts of the past?

AN AMISH WILDFLOWER What is a young Amish woman to do when the man she loves courts her best friend instead? Daisy tapped against the porch railing with slight impatience, looking out at where the already pale sunshine was beginning to drain away. It would be dark in a couple of hours, and Sadie would no doubt already be waiting for her. She heard steps approaching the house and turned, thinking that perhaps Sadie had come looking for her, but it was Andrew Miller, a friend of her eldest brother. He greeted her pleasantly as he reached the porch. "Jacob's on his way back," Daisy told him. "I saw him, Simon and the others headed over the pasture a minute ago." She had thought, for a moment, of waiting here on the porch until they returned... not to see her brothers, but because she knew who would be with them. She had not seen him in so long. But if she greeted the boys and then left immediately, it would be obvious that she had stayed just to see him. She expected Andrew to move on, maybe to go and meet Jacob as he arrived, but he paused. He offered a smile, which Daisy returned, a little confusedly. She had never really spoken to Andrew before, except in passing. What did he want? "Actually, I was hoping to catch you here. I wanted to ask you something." He paused for a moment. "It's just, my daed said I could use the good buggy this winter, and, well..." He looked down for a moment and shuffled his feet. Daisy's mouth opened in surprise. Was he... asking her to go courting? It seemed like it, although no boy had ever asked her before, so she lacked comparison points. Should she say yes? He was handsome, but she did not know him very well, and she had never felt any kind of attraction to him. Even so, would it be rude to refuse, especially as she had never received any other invitations? These, and a hundred other thoughts, arrived in Daisy's mind all at once, before Andrew had even raised his head again. They were so distracting that she almost failed to hear the next sentence he uttered: "Do you think that Sadie would be interested in going for a drive with me?" And with that one question, Daisy's heart broke in two.

SARAH'S AMISH SUITORS WHOSE HEART WILL SHE BREAK? Sarah finds herself in a bind. She is physically attractive to the handsome and dashing Daniel as do all the eligible young women in the community. But Jeremiah has been a loyal and faithful friend. When both young men make their intentions to win her heart known, Sarah has a hard choice to make.

AN AMISH FLAME WHAT GOTT PUTS TOGETHER STAYS TOGETHER Faith didn't want to see Matthew again. But when a fire ravages part of her Amish community, she is part of the group that is forced to take shelter in the same place as his family. To make things worse, the Holidays are only days away... They try to avoid one another but after a few days it seems impossible to not acknowledge one another. The two soon confront each other over why they broke up in the first place and realize their own faults. But is the spark still there? Short stories, anecdotes and poems. This book is a volume in the Penn Press Anniversary Collection.
